OF

RAMONA HIGH SCHOOL

RIVERSIDE CALIFORNIA

Foreword

"All the world's a stage, and all the men and women merely players: They have their exits and their entrances; and one man in his time plays many parts. . ."

Today, the world of Ramona can also be compared to a stage where, each day, throughout the entire campus, there unfolds human comedy and tragedy. Like any production, we have our directors and our cast--without whom the play could not go on--and our plot reflects the many activities, experiences, and acquaintances of the 1961-1962 school year.

To preserve this drama, act by act, is the objective of this year's ARIES. Although the big reward of achievement must remain a personal triumph to each one who has had a part in our true-to-life drama, the external emotions are recorded in a picture or in a few printed lines that will keep for you a welcome memory.

The curtain is rising. . . the play begins. . . and with pride the 1962 ARIES Staff presents this command performance of "Ramona: 1961-1962".

Directing us throughout our stay at Ramona were the many administrators, teachers and staff members that comprised the FACULTY. We owe our success to their instruction and helpful guidance. Many of them doubled their efforts and were counselors to every student. There were many on the staff that we did not know, yet they were necessary and vital to the course of our education. And, of course, we remember all of those who acted as club sponsors. To all of our DIRECTORS we give thanks.

"GO RAMS" **Mr. Esgate** leads Ramona in its superb school sprit. With the many responsibilties of his position------directing the continued development of the teaching staff, and his many civic responsibilities---------he always has time to encourage and advise many Ramona students.

Mrs. Emanuel, with an assuring smile and sympathetic understanding, tirelessly concentrated on any and all problems of the girls here at school. Our Dean of Girls is certainly a devoted friend to all Ramona girls.

Establishing the schedules of classes, directing Ramona's athletic program, and being responsible for seeing that students adhere to school regulations keeps **Mr. Mensinger** on the run. He keeps the school running smoothly regardless of how chaotic the problems are.

Mr. Bazil, as Dean of Boys, is concerned with the welfare of all Ramona boys. His duties as Supervisor of Attendance require attendance accounting and counseling with students on problems of attendance as well as personal problems. With his sincere consideration he has become a real friend to many students.

Mr. Devine serves as an advisor for student government and is constantly smoothing out details of school events and consulting with students on many subjects. The way in which he handles his position of Director of Student Activities has earned him much respect.

In directing the work of the Counseling Staff in the many facets of educational development, career planning, and the varied areas of human relations, students and faculty have benefited from **Mr. Kutch's** leadership in the field of guidance and counseling.

The Board of Education and Superintendent of Schools, Bruce Miller, are civic-minded ladies and gentlemen who devote much time and effort guiding the educational destinies of the youth of Riverside.

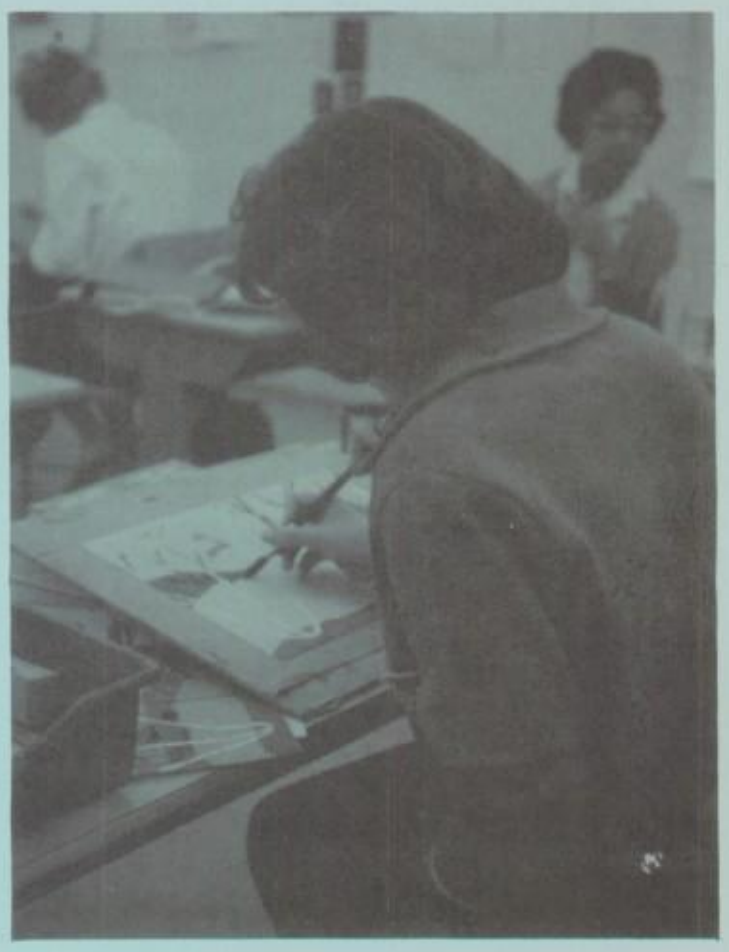
They are **Standing, left to right:** Superintendent Bruce Miller, B. Rae Sharp, Arthur L. Littleworth, vice president. **Seated, left to right:** Mrs. Carolyn G. Diffenbaugh, Richard B. Hampson, Jr., president, Mrs. Gladys T. Babcock, clerk.

Art Department

Do we have another Rembrandt, Van Gogh, or Picasso at Ramona? Only time will tell! Meanwhile, the art students have been busy studying line, form and color in Basic Art classes. Design students have been busy creating new ideas of design in architecture and industry. The more advanced art students employ watercolor, tempera, and oils in painting landscapes, still lifes, and the human figure.

Mr. Howard Bush
Department
Chairman

Mr. Kenneth Stoever



Applying line, color, and form, this art student expresses herself through painting.

Mr. Italo DiMarco

Art can be a serious business as expressed by Mike Copeland.

Mr. Frank Elliot

Are you going to be the attractive secretary to the boss or the boss with the attractive secretary? Those students planning to enter the business field learn the fundamentals of typing and shorthand and put them into practice in Secretarial Training. Recordkeeping, Bookkeeping, Business Math, and Business law classes provide training for future accountants.

Music, Speech, and Drama Departments

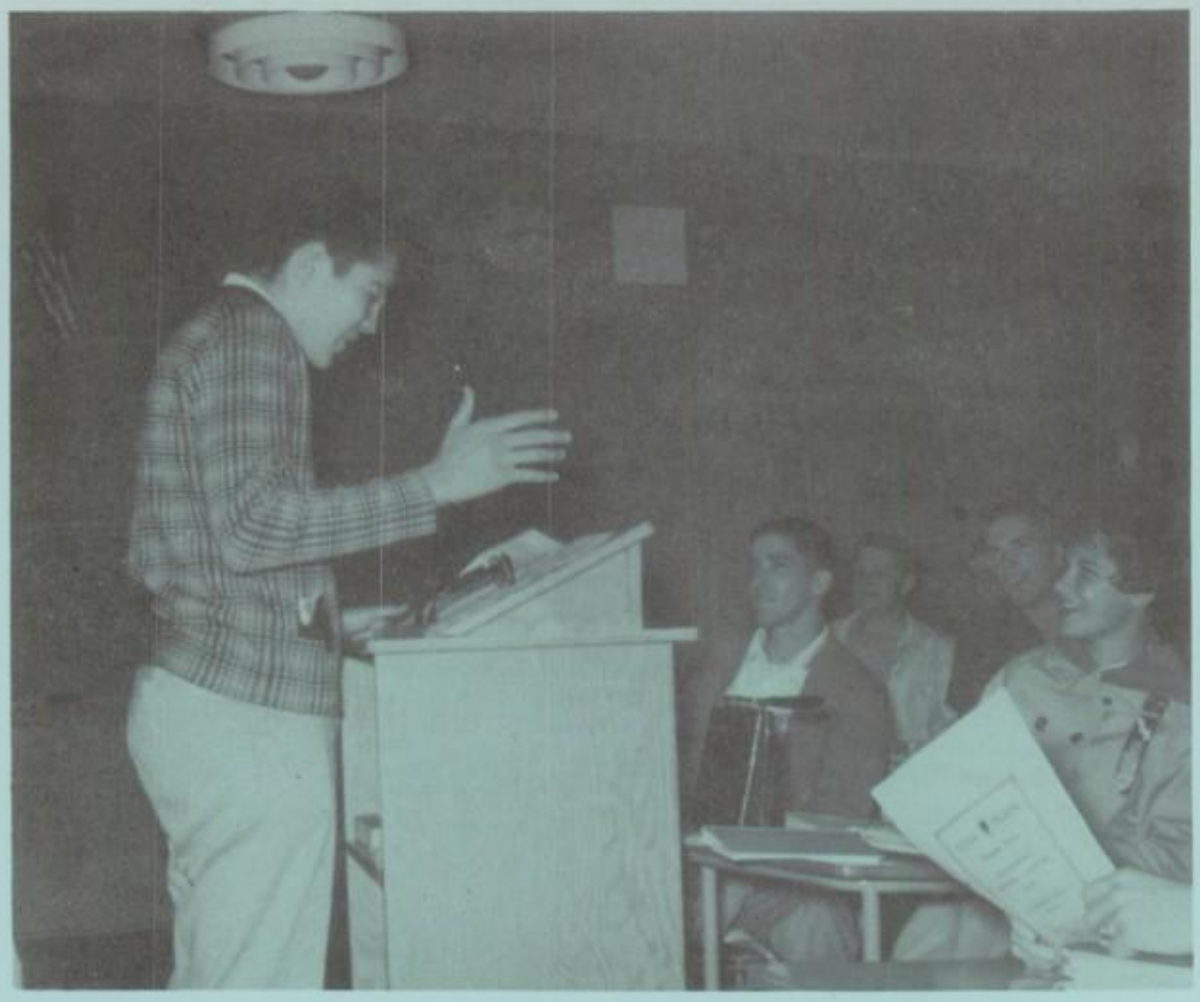
Mrs. Betty Jane Hess

"To be or not to be, that is the question!" Here on the stage at Ramona the students have the opportunity to express themselves. Activities of the Drama classes include pantomines, interpretation of characters, styles of acting, and participation in productions. The choir and Glee Clubs provide vocal training while the band "plays on." Speech establishes speaking ease and confidence in formal and informal speech situations. Stress is also placed upon enunciation, correct posture, effective gestures and forceful delivery. In Advance Speech, emphasis is upon oratory, humorous and dramatic declamation, and debate.

Mr. Silas Gould

Mr. Harry Carter

"Do-Re-Mi." Mr. Carter's vocal group tunes up for one of the coming productions.



Speech class seems to be fun for both Paulo Liberman, an exchange from Brazil, and his audience.

Mr. George Brooks

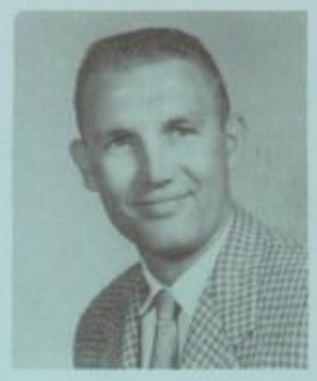
Mr. Kenneth Lynch

Ramona's Speech Department produces many fine speakers and debaters. Shown at right are Nancy Burdette, Connie Baker, Linda Randlett, and Ken Scheidig, examples of outstanding speakers.

Driver Education Department

Mr. Alan Probst
Department
Chairman

Can you parallel park? The drivers of tomorrow are busier than ever with their new equipment in the Driver Education Department. The large green trailer serves in teaching Ramonans driving skills before they get behind the wheel. The laws listed in the Vehicle Code, common rules of the road, the safety precautions are taught in the classroom and practiced on the road.



Mr. Robert Fite

Mr. Ralph Knott

Mr. Carlyle Morgan

Woodworkers receive instruction in the construction of furniture.

Mr. Aaron Rasmussen

Mr. Myron McAllister

Would you like to invent an automobile engine that runs on ketchup instead of gasoline or design a new style of furniture or construct a glass house or build a 3-D television set? Our industrial Arts Department gives boys these opportunities. Drafting is a "must" course for future engineers. "For", explains Mr. Snell, "the only way you can tell how some piece of work, machinery, or otherwise will look before it is constructed, is to build it first on paper." Auto Mechanics acquaints the boys with the modern automobile. Electric, metal, and wood shops offer vocational training for those who will follow in the footsteps of Edison, Ford, Kaiser and others.

Mr. George Read

Mr. Howard Snell

Mr. Roland Krieb

Dave Conrey takes time from the serious business of drafting to smile at the birdie.

English Department

From Chacuer to Hemingway, from Shakespear to O'Neil. Whether it be poetry or prose, no other subject has played such an important part in our education as English.

Language Department

Mrs. Margaret Mullins
Department
Chairman

Mr. Owen seems pleased with the accomplishments of his German class.

Mrs. Janet Deever

"Bonjour," "Buenos dias," and "Hallo." In French, Spanish or German, they all say "hello". Conversing as well as reading is emphasized in the Ramona foreign language classes. Latin is a basic for the modern languages of today. Advance language classes place emphasis on the literature of the languages. Now as the French would say, "Au revoir," or the Spaniards, "Hasta la vista." And don't forget the Germans "Auf Wiedersehen." In English it's simply, "So long."

Mr. Thomas Philp

Mr. Remo Rossi

Mr. Paul Owen

Mrs. Martha Wybourn

Informal discussions are a very important part of the Social Studies classes.

History problems are discussed with interest.

"Fourteen hundred and ninety-two, Columbus sailed the ocean blue." This was an early milestone in the history of our country. As sophomores, we study the cultures of modern nations. As juniors, the history of our United States is surveyed. Special classes in Government, Sociology, Psychology, and World History are offered to seniors.

Science Department

Mr. Edward Cooper
Department
Chairman

Mr. Charles Van Camp

Miss Patricia Kerr

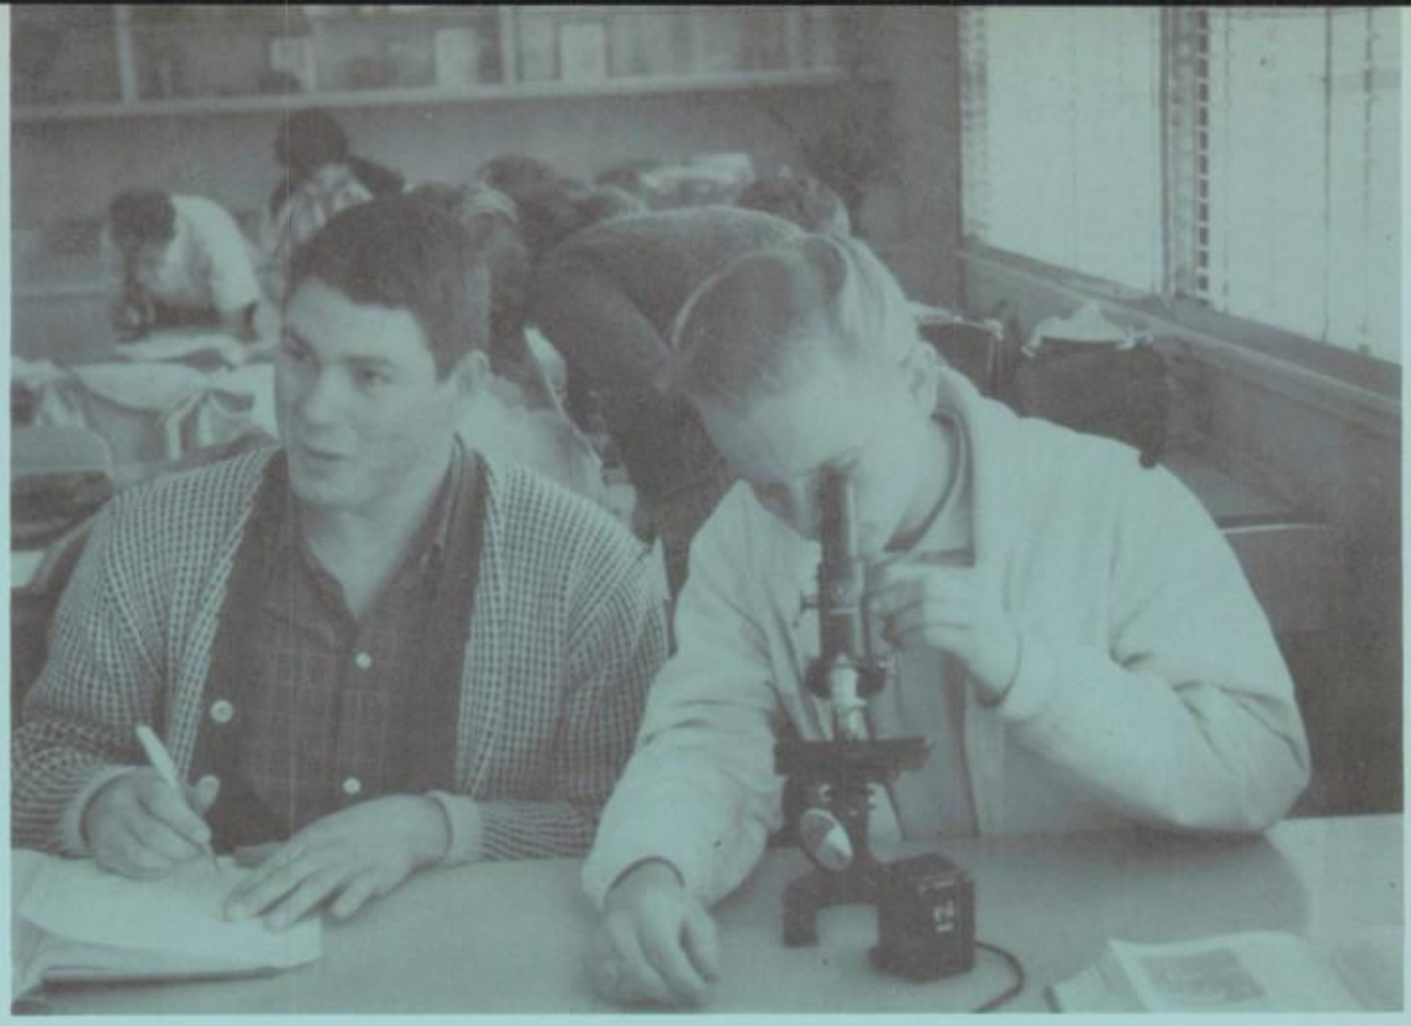
Mr. James Trainer

Mr. Harley Brock

Explosions in the Chemistry lab, loose tarantuals in Biology, and snakes in Mr. Cooper's pockets. The Science Department has lots of excitement! Biologists learn about the life processes of living organisms. Those in Chemistry study the aspects of chemical principles and laboratory techniques.

Physics, a beginning course in the study of mechanics, properties of matter, heat, light, sound, electricity and magnetism is pursued by students who are planning careers in science, mathematics, or engineering, Physiology is an advanced course dealing with the study of the human body.

Will it explode? For Mr. Brock's sake we hope not.



Is it an amoeba, some form of bacteria or speck of dirt on the lens that has the attention of these biologists?

Mr. Bert Gividen

Mr. Walter Klock

Mr. Richard Merrill

Mr. Eugene Crump

Anyone for pearls? These biologists are representative of the students who participate in the many projects of the Science classes.

"Closest to my heart," says Mr. Cooper, "is my little engine."

"May I have a counseling appointment?"

The Counseling staff advises students on many different problems. The careful consideration of the needs of each counselee, linked with continuing contact with the parents as needed, has greatly benefitted the entire educational program. From an academic standpoint as well as from the vocational guidance point of view, both students and faculty members are well aware of the fine accomplishments of this staff.

HEALTH OFFICE STAFF

Office secretaries are some of the busiest people at Ramona with all of the clerical work necessary to keep the school running smoothly. They are a source of information to questioning Ramona students.

Mrs. Elizabeth Hodge

Mrs. McCoy performs many duties that unfortunately go unnoticed by the girls, but that contribute to the orderliness of the girls' gym. She is in charge of the equipment and performs many "housekeeping" services.

Bloody noses, cuts, bruises or minor scratches are always cheerfully cared for by the health office staff. They assist in the physical examinations required by the P.E. Department, as well as helping in the vaccination program at Ramona.

P. T. A. Board

The P.T.A. Board members seated left to right are: Mrs. Jack Bresson, Mrs. Harry S. McGee, Jr., Mrs. Raymond Reyes, Mrs. F.S. Heaslet, Mrs. Arthur W. The Parent-Teacher Association work hard to achieve their objectives of promoting the welfare of children and youth, of bringing closer relations between home and school and of developing united efforts between educators and the public for the education of every child.

Cafeteria Staff

The Cafeteria staff works diligently each school day to prepare and serve appetizing and delicious food. Thousands of servings of balanced meals are prepared for Ramona students and faculty members.

Left to right - Front Row: Mrs. Ruth Basinger, Mrs. Ruth Mtichell, Mrs. Avis Gaither, Mrs. Emily McIntyre, Mrs. Patricia Everett, Mrs. Mildred Horne, Mrs. Ruth Heyle, Mrs. Shirley Hubka. **Back Row:** Mrs. Arola Kurr, Mrs. Marsha Coplan, Mrs. Vivian Ingram, Mrs. Elizabeth Baggs, Mrs. Violet Baldwin, Mrs. Joyce Dondero, Mrs. Genevieve Hinkle, Mrs. Janice Smith, Mrs. Dee Walden, Mrs. Mavis Kendall, Mrs. Christine King, Mrs. Addie Kraeber, manager.

Custodial Staff

Working to keep Ramona's campus clean and neat in. appearance is the school custodial staff. Sweeping halls, seeing that rooms are kept in order, and taking care of the disposal of trash are only a few of their tasks. Both the night and day custodians perform duties, many of which are unnoticed by students, that contribute to the smooth running of Ramona.

This custodian helps to keep Ramona's neat and clean appearance.

Our players arrived on our stage each morning at eight. Lockers clanged and voices rang out. Throughout the day the STUDENT BODY experienced the learning process. Governed by the U.S.B. Cabinet and Legislature, all the classes worked together. Everything from sweatshirts to cupcakes was sold to further the aims of the three groups. Each class cherishes its special name, whether it be the Glups, The Furds or The Scuds. We spotlight our classes and their advisors that comprise our CAST.

The role of these familiar actors was an important one. From the first day of school in September, to graduation day in the spring, they worked hard to see that each act of the play ran smoothly and democratically. Tuesdays and Thursdays would find them on the scene facing the many problems that arose throughout the year. Under the direction of Mr. Devine, the officers and cabinet members represented Ramona as an effective and just governing body. And if they weren't busy enough with their many required duties, they could be found lending support to the many activities that were featured at Ramona during the '61 - '62 school year.

LEGISLATURE

A meeting of the Legislature is perhaps the most impressive governmental meeting at Ramona. Consisting of a representative and alternate from each advisory, this large group was conducted by President, Sandi Corbitt, according to strict parliamentary procedure. The meetings were open to all Ramona students who wished to attend, although only the elected representative was entitled to vote.

Among its main functions was suggesting laws which, if passed by the legislature, were sent to the U.S.B. Officers and Cabinet for consideration. When these representatives returned to class and reported on the many issues discussed, they were definitely more prepared for a future role in their community and nation.

Class of '62

The Senior Class Council met frequently with the Senior Cabinet to plan the endless activities that we enjoyed throughout the year. . Presided over by Connie Baker, the Council members were chosen from each Government class.

SENIORS

With gaiety and excitement, the departing Seniors remained in the spotlight throughout this entire year. It was only fitting that our Senior year should incarnate the wonderful experiences of all the school years of the past. Spirits were continually high during both the money raising activities--such as the sweat-shirt sale, and the car wash--as well as the enchantment of the Senior Midwinter Ball and the Prom. There was a serious side to the school year, also. We could not be content to glory only in the present. The future had to be planned. College boards, applications for colleges and scholarships, Iowa testing, and maintaining good grades were all a part of this awareness of life after leaving Ramona. The grand finale came in June - Graduation! A time of little sleep and excessive fun (and sun). We ate together for the last time at the Senior Banquet and caused our last disturbances at the all-night party. As friends depart, diplomas in hand, it is interesting to speculate as to what they will be doing ten years from now. It is really unhealthy to be so curious, but . . . See you at the class reunion in 1972!

Welcome support was given by our two class advisors, Miss Fraley and Mr. Fite, who were with us throughout our Junior and Senior years.

The star performers at Ramona were well represented by: Dennis Cutler, President; [illegible] Baker, Vice President; [illegible]; [illegible] Secretary; Larry Smith, [illegible]; [illegible] Kaby, Social Chairman; Caroline Bouam, Publicity.

"All sold out" is the happy message from Larry Smith to Jo Ann Ewe. This explosive sale, sponsored by the Senior Class, required only four days to completely sell out all 400 Ramona Sweat-Shirts that were ordered. JUNIOR CLASS

The Junior year is an exceptional year in high school. Then the students are neither lowly Sophomores with initiation ceremonies, nor are they the almighty Seniors preparing to leave school and enter the world's stage. As a Junior, most of the students really feel a part of the school and have become accustomed to daily routines. The Prom, which is their project, is the climax of the year. All other money-making projects are the fundamental basis for this gala event. After the Prom, as the year is drawing to a close, a great anticipation develops for the summer and the coming year. Soon, those who have spent this year in study and amusement will come forth to fill the starring roles.

The Junior Class Council links the officers and the entire class, creating a united Class of '63. THE SCUDS

The class of '64, our proteges, suffered through the agonies of their first year at Ramona. Directing them onward to bigger and better parts were Miss Jeppson, and Mr. Jordan. Named "The Scuds" early in the year, the protoges have proven themselves to be capable of carrying on the tradition of Ramona High School.

S-is for the silly manner in which they conduct themselves.
C-is for the clumsy oafs that have come into our school.
U-is for useless which they certainly are.
D-is for the deplorable state of their minds.
S-is for SOPHOMORE, that most insulting description of all

We sophomores are as noble as mud
We have garbage-can grease in our blood;
It's a horrible plight
On the school we're a blight;
Curse the thought of being a SCUD!

It was a dreary morning in November when the class of '64 became full fledged members of the Ramona Student Body. From that day on they are known as "The Scuds". In case anyone has forgotten, a scud is "a satiated scavenger with bloated features living among the refuse and decaying organic matter upon which it feeds. The enormous, big-toed feet and stunted size make it the dumbest and dumpiest thing alive. Its cross-eyed, flop-earred, big-tooth, flat-nosed and horned anterior covers an empty head. That's why it knows no better than to waddle around with no purpose in mind."

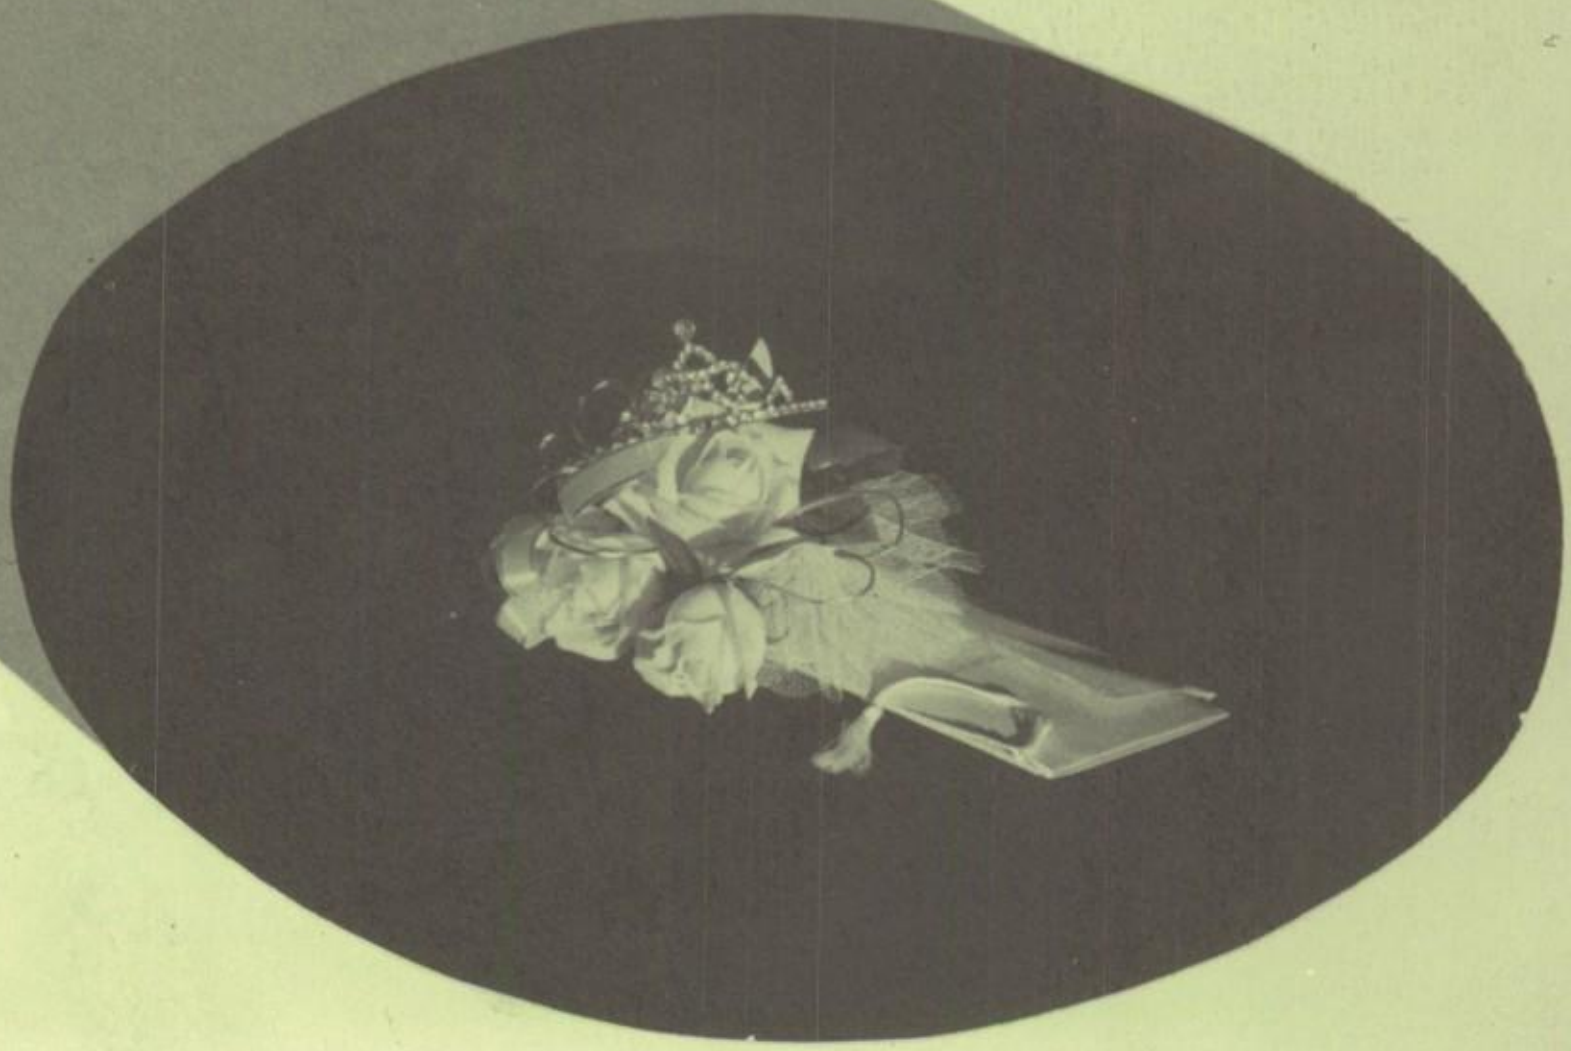
Along with the school work came the many extra-curricular activities. Each Ram participates in STUDENT LIFE by automatic membership in either the Boys League or the Girls League. Many new and interesting organizations were formed this year, eager for new members. Homecoming and "Li'l Abner" added extra interest to 1961-62. Also, the big dances - The Senior Mid-Winter Ball, the Basketball Sweetheart Dance, and the Junior-Senior Prom - are valuable memories to all who attended. Special interest was read into our script through these activities ON STAGE!

Student Life



The curtains open on our 1961 Homecoming Queen, beautiful Della Lemley, who beams as radiantly as the spotlights before her. With twinkling eyes and a cheery smile, she reigned over the Homecoming game with Chaffey and the Homecoming dance attended by the Junior princess, Gayle Thomas, and the Sophomore princess, Margie Gray. Della added much to all our games as head pom-pon girl, too.

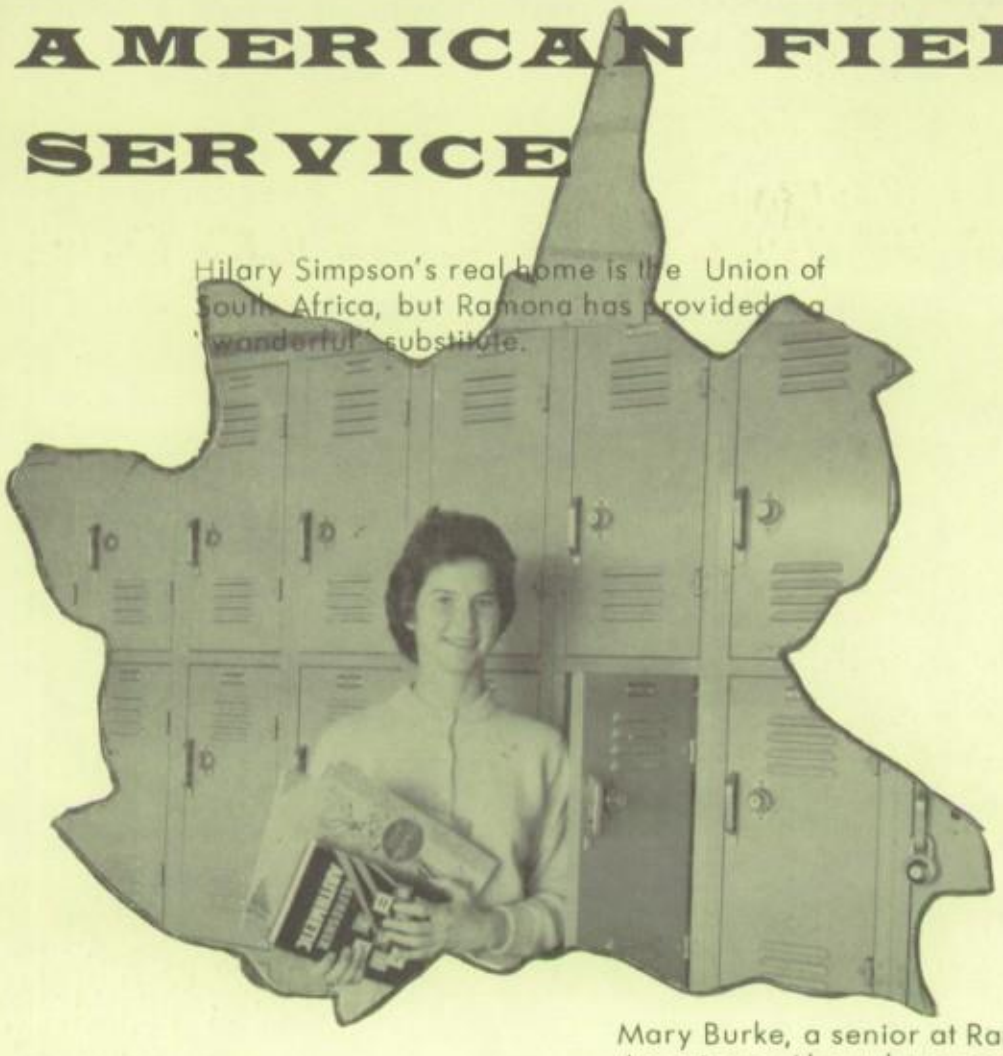
AMERICAN FIELD SERVICE



Hilary Simpson's real home is the Union of South Africa, but Ramona has provided a "wonderful" substitute.

Although far from Brazil, Paulo Liebermann is thoroughly enjoying his visit to Riverside and his new friends at Ramona. The boys are Kent Mason, Paulo, Roger Buske, and Norm Smith.

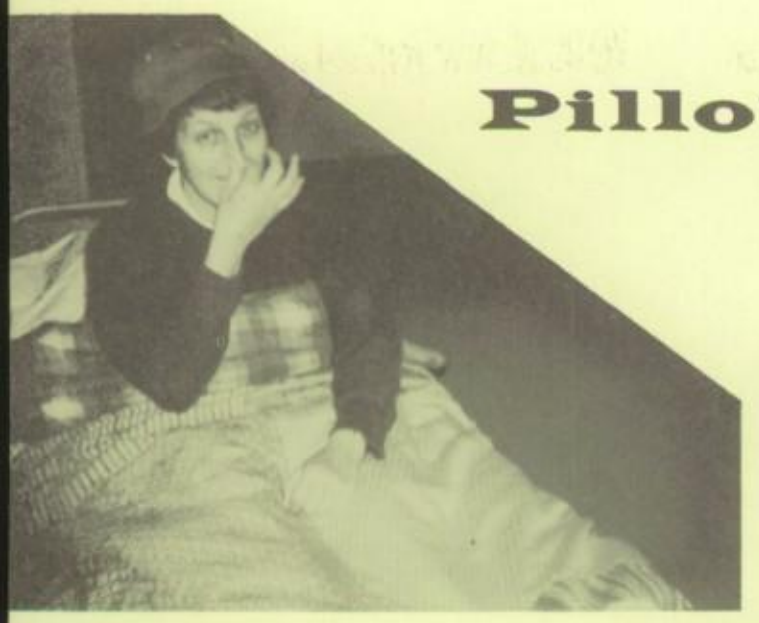
Mary Burke, a senior at Ramona, was selected for the Americans Abroad program to spend six months as a teen-ager in Argentina. She left Riverside in March, and will return in September to enroll at UCR. Mary is the third local coed to enjoy the experience of living in another country through AFS, but she is the first to go on the school program.

In Argentina, Mary is now a senior at Catholic Institute, a five-year high school that prepares elementary teachers. Some of her subjects are geometry, psychology, Spanish, and the history of the culture and art of Argentina. All her subjects are taught in Spanish. We wish you the best of luck, Mary, and wait to hear of your experience.

The AFS sponsored the showing of two movies, "High Society" and "Bells are Ringing", as the club's project this year to raise money for Ramona's foreign exchange program. Our two foreign exchange students this year, Paulo Liebermann and Hilary Simpson, were also sponsored by the club. The members are - **Row 1:** Sharon Jones, Linda Randlett, Jane Sawyer, Mary Burke, Hilary Simpson, Connie Baker, Julie Selvey, Sarah Brewer, Katie Brand, Sandy Madden. **Row 2:** Steve Paschke, Richard Gay, Randall Connolly, Diane Hinkle, Katie Dunlap, Susan McGee, Penny Creighton, Joyce Walker, Penny Brayer, Sallie Hood, Nancy Burdett, Ruth Oster, Kris Lacey. **Row 3:** Frank Atkinson, Skip Waughtel, Joe Duke, Phil Cummings, Dan Marsh.

Hi Tri is a club that promotes fun and fellowship among girls through different activities. Some of these activities are cookouts, beach parties, and mountain trips. The members participate in panel discussions, car washer, and sponsor summer dances. The girls are, **row one:** Ann Finn, Susan Shuttleworth, Georgia Gillum, Cathy Schmidt, Sandie Hayhurst, Linda Iversen, Alice Teubner, Deborah Lichey, Betty Iversen. **Row two:** Karen Kipper, Pam Long, Arlene Walker, Darleen Walker, Kay Grove, Karen Merry, Linda Myers, Sherrill White.

Pillow Talk



Who slept at the Girl's League Slumber Party? Anyone? Certainly not! A slumber party is for radios, volleyball games, ping pong, the twist, and pestering the poor chaperones. Of course, when everyone went home at 7:30 the 'morning after the night before', most of them hit the sack. Pleasant dreams!

SLUMBER did you say? These Junior girls look wide awake.

Why, Miss Labriola! Were you the object of one the girls' pranks? Kudos to the chaperones, who were so brave to attend the all-night affair.

What a mess! Do you want to identify yourselves, girls?

These are the people who composed the Echo Staff this year. **Row one:** Jane Sawyer, Jim Jenks, Carla Copenhaver, Editor, and Nancy Dorsey. **Row two:** Steve Paschke, Diana Heald, Janet Schaeffer, Joyce Walker, Sallie Hood, Katie Dunlap, Jeff Goughnour.

The Echo Rings....

The Echo Bookstore is a familiar sight to all members of Ramona's Student Body. It is stocked with paper back editions of practically all the books needed by the students. The proceeds from this book store provide the Echo with funds to publish their magazine. Here, Carla Copenhaver and Jim Jenks, help Dave Mitchell find a book that he just can't find anywhere else!

MATH CLUB

The Math Club, sponsored by Mr. Dixon, is composed of anyone pursuing mathematical careers. Members of the club went on a field trip to an open house of the Engineering Department at USC. They participated and placed in both the Riverside County and Occidental Math Field Days. Another activity was the sponsorship of the Math Field Day for Junior Highs. The members are, **Row one:** Arthur Heers, Nancy Burdett, Sallie Hood, Penny Creighton, Jim Cooper, Clifford Albee. **Row two:** Joe Duke, Ray Adams, Phil Cummings, Dave Small, John Walter, Mr. Dixon, advisor.

CHESS CLUB

The Chess Club members often got together in the afternoon to play an informal game of chess. Bill Mathews and Billie Phelps play while the other members look on: Linda Smith, Bill Bengtson, Bill Vaniman, Gordon Welty, Kent Miller, Wayne Watts, Patrick O'Keefe, Mrs. Wybourn, Mike Baker, David Miller, Barrie Green, Mr. O'Connell, Mr. Stoever.

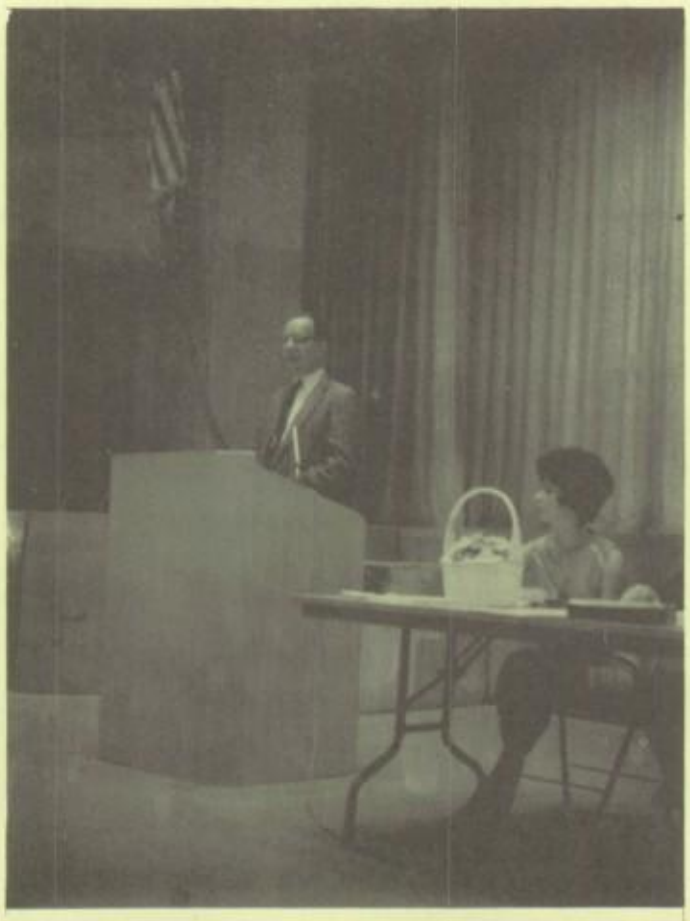
F.T.C.A.

Under the guidance of Mr. Shannon, the members of Future Teachers are learning techniques of teaching. Through this club, also, the members are given a chance to practice their acquired skills by being a teacher's aid at any one of Riverside's elementary schools.

Ramona's marching band participated in numerous events throughout the year. Their precision routines were something to watch on the football field as well as in a parade, such as the one at Indio shown here.

"Twirp Week", that annual event when the girls of Ramona become general slaves to their male masters, was held the last week in A1ril. The girls preformed such useful tasks as shinning shoes, opening doors, and carrying books, as Chita Wine, Girls League President, is shown doing for Student Body President, Steve Parliament.

Dad-Daughter Nite, the night when Dad becomes king, is presented yearly by the Girls League. Here Dean of Girls, Mrs. Emanual, helps to serve one of the guests of honor.



Director of Student Activities, Richard Devine, gives the delegates and candidates at the nominating convention a fial word of advice before turning the convention over to the students. Although everyone was full of energy when the convention began at eight A.M. they grew weary as the last office was voted upon near six that evening. The convention, however, is an essential part of student government and something which should not be taken lightly.

Staff members engage in helpful conversation which results in excellent newsprint in the next edition.

When days begin and end hectically, Miss Gobrecht is always on the job, consulting and guiding the members of the staff.

On A Rampage

Ramona's newspaper, the Rampage, rolls off the press every other week. Every element of success is embodied in the four pages of newsprint. USB ELECTIONS . . .

ANXIOUS MOMENTS

These were anxious moments for students who were waiting to hear the results from the Convention on who would be the USB office candidates.

A delagate from each advisory attended the Nominating Convention, held in April. Votes were cast, and candidates chosen to run for the USB offices.

A glorious night was had by all at the Senior Mid-Winter Ball

SPRING VACATION

Going my way?

One glorious, fun-filled week was spent by a large number of our students at the beach --- swimming, surfing, sunburns, the Rendezvous--all were a part of the holiday.

Patti Turner is ready for a day on the beach.

"Eeeeeeeeek! Who put the octopus in my sleeping bag?" screams Carolyn Penrod.

Mike Roof, Sammy Lane, Rick Peterson, and Eddie Abubo relax after a rough day in sun and water.

Welcome to our house! Mary Van Etten, Cheryl Swarner, Dee Ann Jones, Carol Ashmore, Carol Salerno, and Lois Gleeson greet passers-by from the stairs of their Newport beach house.

Alice Sedlak demonstrates that she is set for Pres. Kennedy's physical fitness program.

SENIOR PROM

"Fantasia" was the theme of the Prom this year while balloons and pastels provided a dream-like atmosphere.

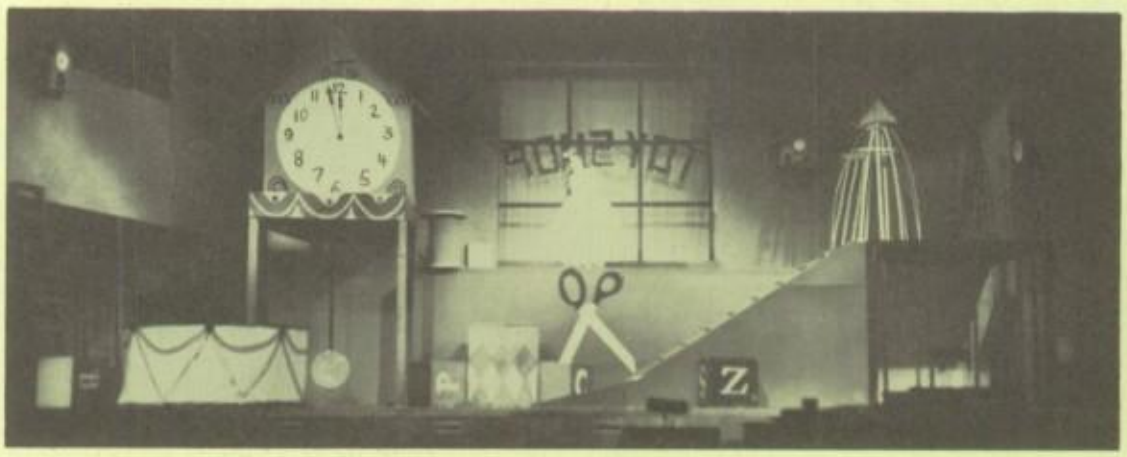
John Turney, Patsy Moses, Jim Iwasko and Pat Fisher look like they are enjoying the music at the Prom by Disneyland's Elliott Brothers.

The patio was a favorite gathering spot for couples during intermission at the Prom.

The first production of the season was Kaufman's and Hart's "The Man Who Came to Dinner". Presented by members of the drama department, this play was the start of a season of many hit productions Caught in action are Miss Preen played by Kay Cerven, Dr. Bradley, in the person of Danny Pitts, and last but certainly not least is the man who came to dinner, Sheridan Whiteside played by Mike Murphy.

The production of "A Midsummer's Night Dream" was presented to a standing room only crowd at Ramona and was later preformed at several of the Junior High Schools around the city. Members of the cast are to be congratulated for such a fine performance.

On Stage



A magically fairy and an enchanted top chop are but a few of the ingredients which made this years Christmas program one of Ramona's finest yet. The fairy played by Mary Patterson used her magic wand to wake the toys played by members of the Modern Dance Class.

Li'l Abner

Evil Eye Fleagle played by Mack Tamariz casts one of his spells on Abner which causes him to lose control of himself just long enough to be caught by Appassionata as played by Kay Cerven.

And they're off and running from the girls who will follow as Dogpatch stages it's annual Sadie Hawkins Day.

Abner Yokum in the person of John Swindell looks upon Appassionata with an expression that is undescribable.

Marrying Sam played by Wayne Watts attempts to finally join Abner Yokum in marriage with Daisy Mae who was played by Rosie Fickas.

Ramona's Safety Council headed by secretary of safety, Ken Scheidig, combined their efforts this year in making Ramona a safer place for students to drive and park their cars. Members of the Safety Council are **Row 1:** Gerald Katz, Nancy Shuttleworth, Richard Gay. **Row 2:** Bill Bengtson, Douglas Hyatt, Ken Scheidig, Ed Sensor.

Members of the Industrial Arts Club won numerous awards this year for their fine work. George James, Jim Townsley, Gene Van Houten work diligently on a future nightstand.

Ramona's Literary Club is composed of honor students from Mr. Lee;s English class. Nutrition sales and other fund raising projects were carried out to aid their ever decreasing treasury. The general purpose of the club is to promote the members' interest in literature. Trips to various plays were taken throughout the year. The megers are as follows: Connie Baker, Carla Copenhaver, Nancy Dorsey, Jane Sawyer, Art Heers, Susan Teig, Steve Paschke, Lorraine Stenger, and Dick Chady.

ACTIVITY:

Cheryl Swarner has been chosen as this year's nominee to Girls' State. In the summer she will go to the University of California at Davis in Sacramento for 10 days. Here she will study government in all phases with 500 other girls. This is a valuable experience and the girls learn to work together and meet new friends. Ramona wishes you good luck, Cheryl.

Daisies denote Spring. . . .and Ramona's Graduation. Patti Turner, Mary Van Etten, Dee Ann Jones and Leta Williams prepare flowers for the honor arch. These girls are only a few of the 32 Junior girls who have be n chosen to be on the honor arch at Graduation. The girls were chosen on basis of service, grades, and citizenship.

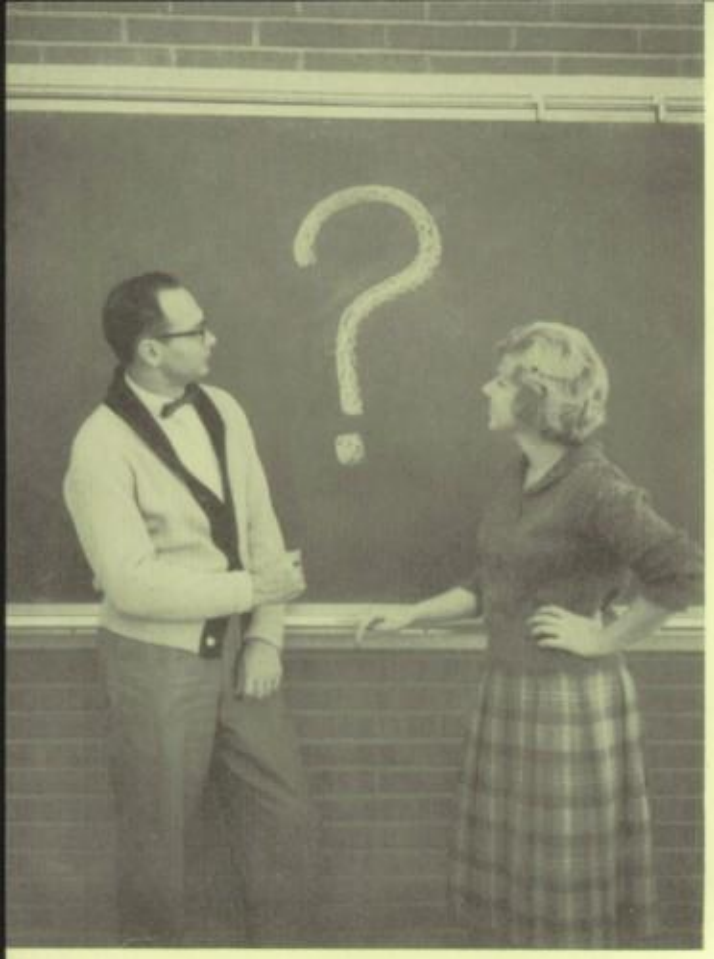
"Oh darn, I missed," says Nancy Isaacs. Ann Karno and Mary Jane Caldwell were two more Ramona girls who tried the baseball throw. The girls are all members of the Ramona Drill Team who visited the Indio Fair after marching in the parade.

AT SCHOOL

AND AWAY

Everyone had a delicious meal at the annual CSF banquet. Life members were honored, entertainment was provided by the students, and speeches and congratulations were given by various dignitaries.

ARIES



Will there be an annual this year? This is one of the many problems that confront Diana Watkins, Aries Editor, and Mr. Peterson, staff advisor.

Numbers, numbers, numbers! 2 and 2 are 5, not 3, explains Marie Beckett, Business Manager, to Regina Anderson, Sales Manager. These two are constant companions with chalk, the blackboard, and those pesty errors that pop up in figuring.

Sue McDowell, the energetic Art Editor, finds all her spare time filled with doing creative things for the Aries Staff members. Here she is caught unaware, busily working on a portrait of our advisor.

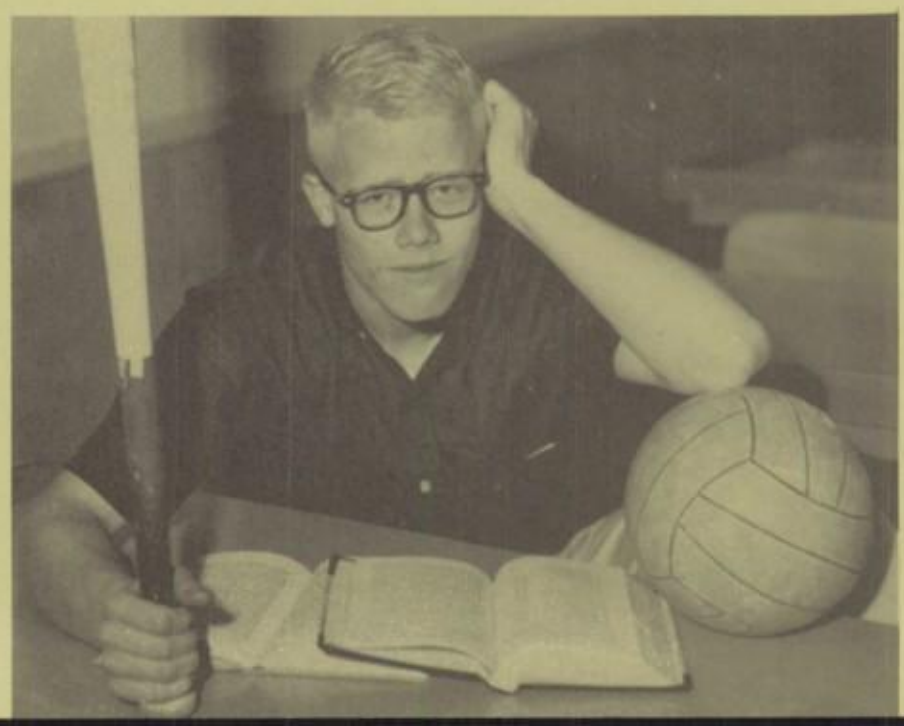
Barbara Golden and Carol Salerno, Sophomore and Junior Class Editors, plead to the Senior Class Editor, Kris Lacey, not ot exercise her seniority.

STAFF

Mr. Gilevich, photography advisor, and Ron Wolfson are hard at work, developing and printing pictures for the Aries. They think oh dear, what size was the photo supposed to be?

Susan Hall, Staff Assistant, has completed a day's work and is filing the Faculty Editor, Gail Bush, until tomorrow.

Hurry, Judy! You mustn't be late for that advertising pictures! Advertising Editor, Judy Saunders, worked with out advertisers in taking their orders, pictures, and writing copy.



Ray Adams, Sports Editor, brushes up on the rules of the game. A real must, don't you agree?

Bringing thrills and spills to our Ram teams are the various SPORTS in which Ramona athletes participated. Football reached its peak in the 1961-62 season. Basketball, baseball, and field events were also in the limelight. Skill and sportsmanship made each Ramona student proud of our Ram athletes and all that they did - individually and team-wise - to make this an exciting year in sports. Ably leading the fans in the stands were the various pep squads. They, along with the fans themselves, are thanked for their great spirit that kept Ramona in ACTION!

1961 Varsity Squad

FOOTBALL

In many ways this was one of the Rams finest seasons. Although they suffered some bad breaks, they showed fine spirit and in several games performed in truly professional style.

First battle came on the Ganesha grid where, after an early lead the Varsity Eleven fumbled to the Giants, 13-7. Meeting Lakewood and Fontana they rebounded for two big wins. Both games were marked by a show of keen desire and ability in checking a tough offensive machine. Upstart San Bernardino then took the injury-ridden Rams for a 14-0 ride, and in a long cliff-hanger Chaffey battled through our home-coming to a 31-21 victory. The low point was reached in the Pacific debacle when three fumbles cost us the game, 24-6. But the Rams roared back to steal the annual Solar-Series from Poly 18-13. Coltan then fell easily 27-7, and the season ended with defeat to League-leading Redlands, 33-7.

While the team as a whole ended with a respectable record of four wins and five losses, the performances on the part of individual players were extremely noteworthy; seven players made ALL-CBL.teams.

Next year Ramona should have its first championship team. Many of this year's outstanding players will be returning and the B's and JV's will provide several top-gridders as well. And, of course, Ramona's renowned sportsmanship will again be evident as we take the field.

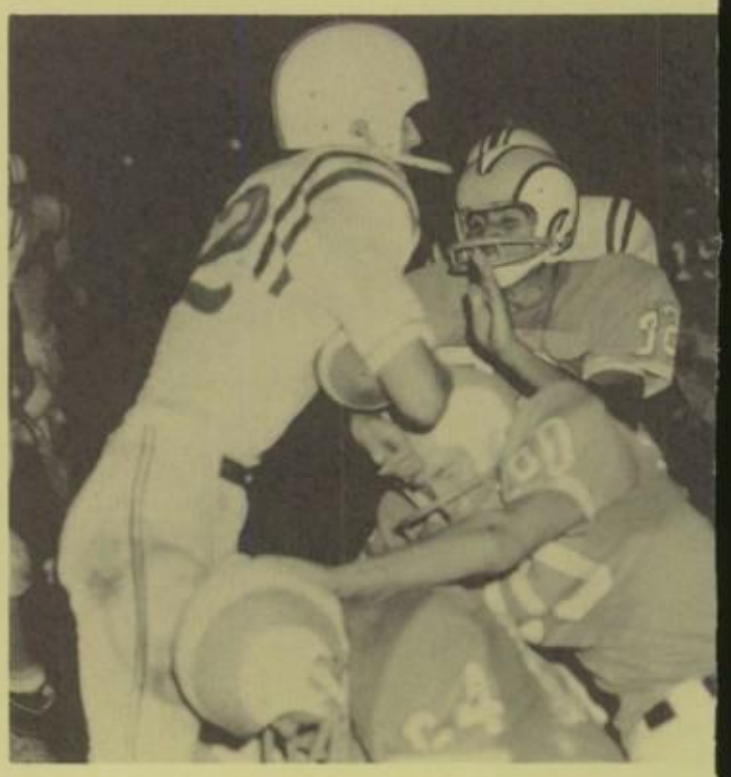
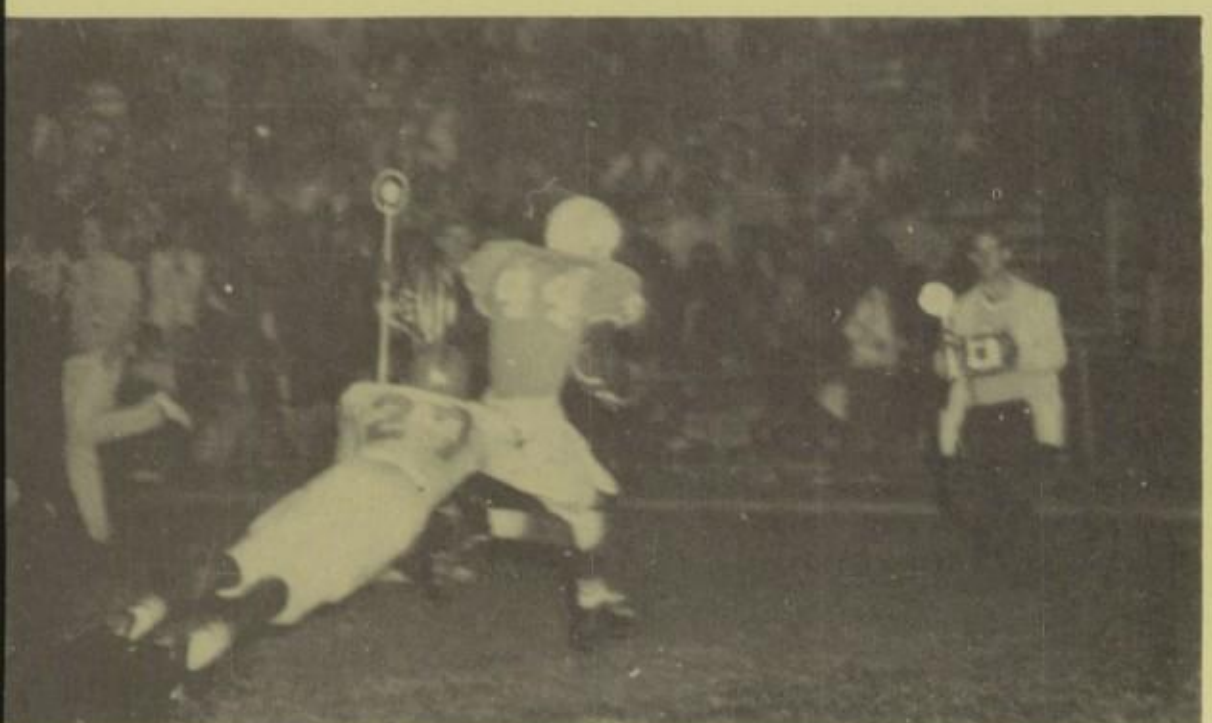
WE BEAT POLY!

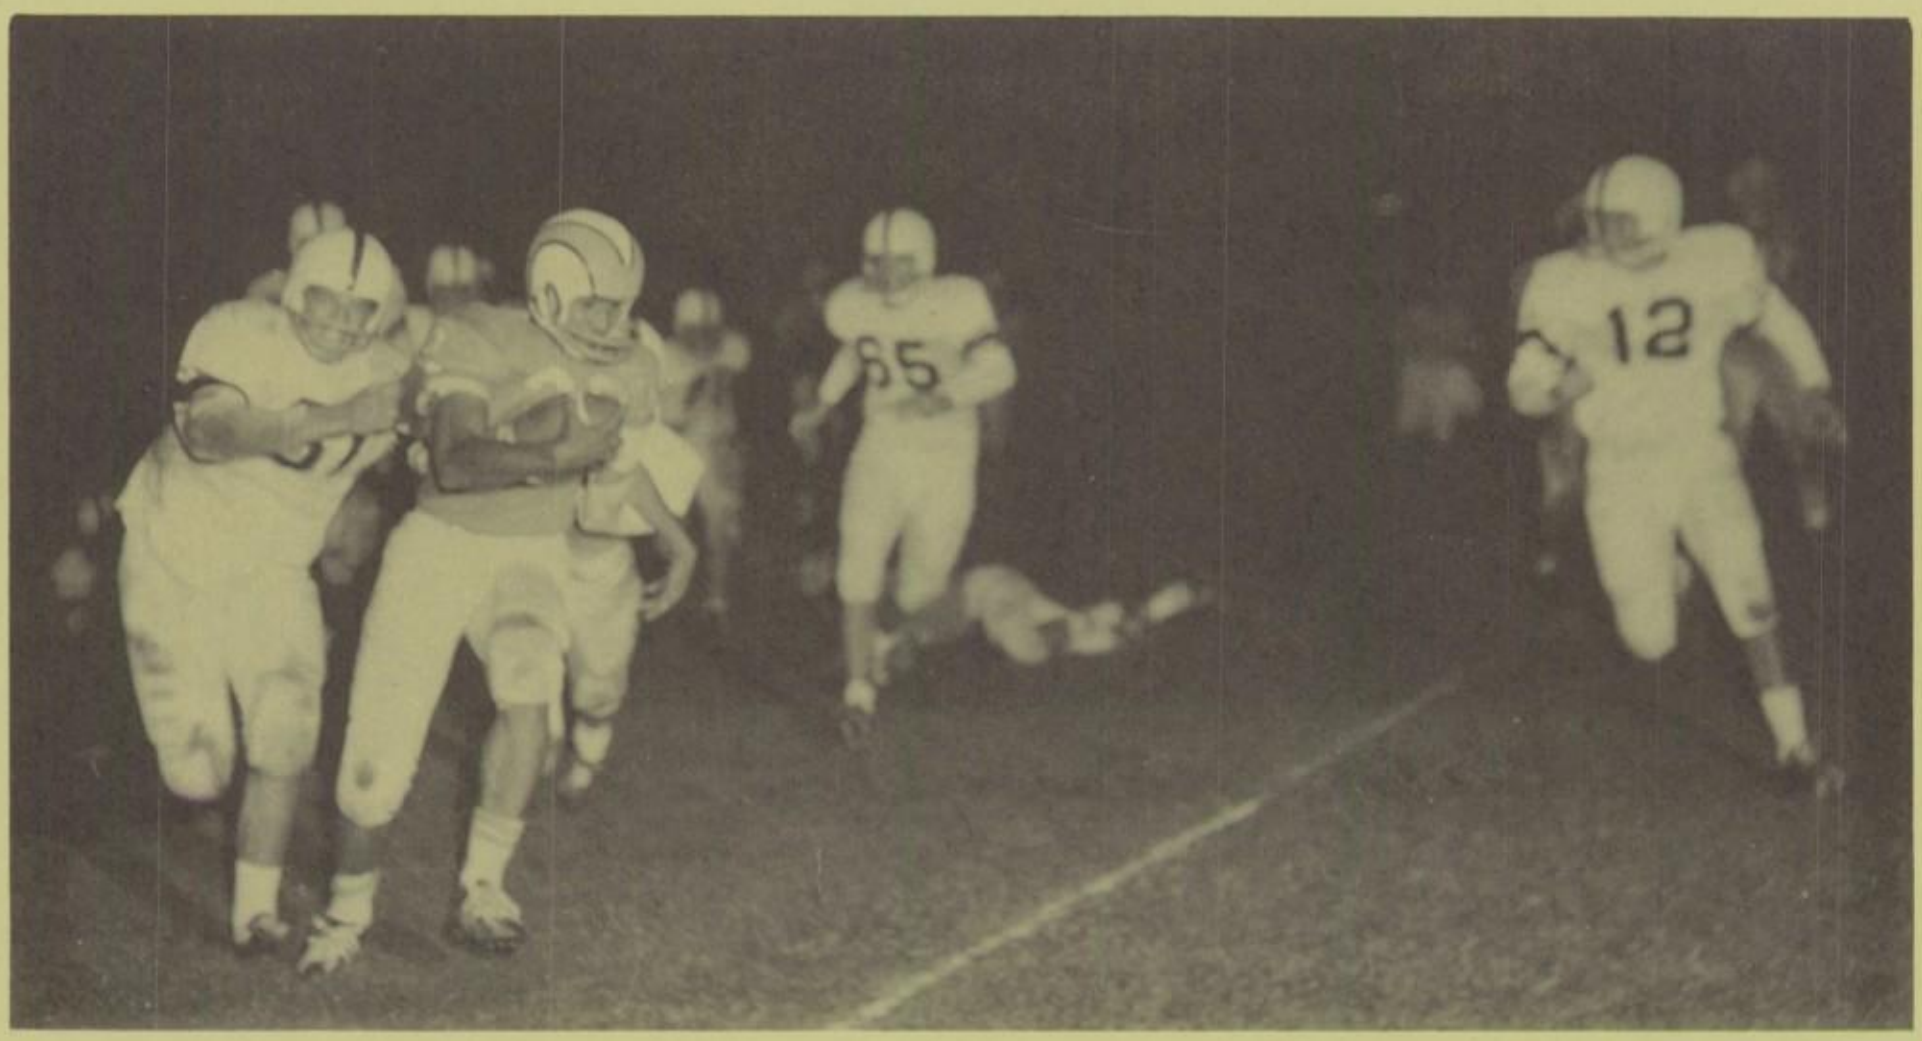
NOVEMBER 3, 1961. Poly kicked and, on the third play, halfback Jim Holmes rambled 63 tards for our first score. A second drive was stopped with the end of the quarter. As the half closed, Holmes again scored after a setup by Kuttler. We recovered our own second-half kickoff and in a few plays Henry Heuck had made it 18-0. Poly finally came to life and in the game's last minutes made two TD's and was trying for a winning third when the clock ran out. Rated two-touchdown underdogs, the Rams were in command all the way, to win 18-13.

Bill Whitehead, Doug Whitmer, and Pete Murillo give a Lakewood player the old 1-2-3.



The big moment: Halfback Jim Holmes crosses the goal-line for his second touchdown of the game, leaving Poly in the dust.





Pete Murillo eludes the opposition during his 36-yard run for a third touchdown in the Colton game.

RAMS CHARGED, GATHERED HONORS

Shelly Berryman rushes a fumbled ball as Murillo and a Redlands player go down in the ill-fated game. Redlands, with San Bernardino, went on to the CIF play-offs.

THE TIDE of luck ran hard against the "J.V." football team this year. Spectacular plays and players abounded, but tough opponents put up an irresistible front. The first game was a narrow non-league defeat at Ganesha, but the next contest, at Lakewood, was a sound victory with touchdowns by Ted Palmer and Walt Reeves for a final score of 14-7. The "J.V.'s" then lost their form and dropped the next five games to Fontana, San Bernardino, Chaffey, Pacific, and Poly. They found it again, however at Norte Vista, with an exciting game that ended 27-7. The season finally ended with a thin 13-14 loss to Redlands.

The "B" team had a mixed season this year, close games, big wins, big losses. Off to a bad start, they went down to defeat in two non-league games, Ganesha and Lakewood, and dropped the first CBL contest, with Fontana. Catching their breath, a new effort yelded wins over San Bernardino, 7-0, Chaffey, 7-6, and a tie with Pacific. Swift Poly took the next, but the Bee's came back to steamroller Colton, 28-6, before losing the finale to Redlands, 0-33. Fine performances on the part of many of the players promise an outstanding football season next year.

Varsity Basketball

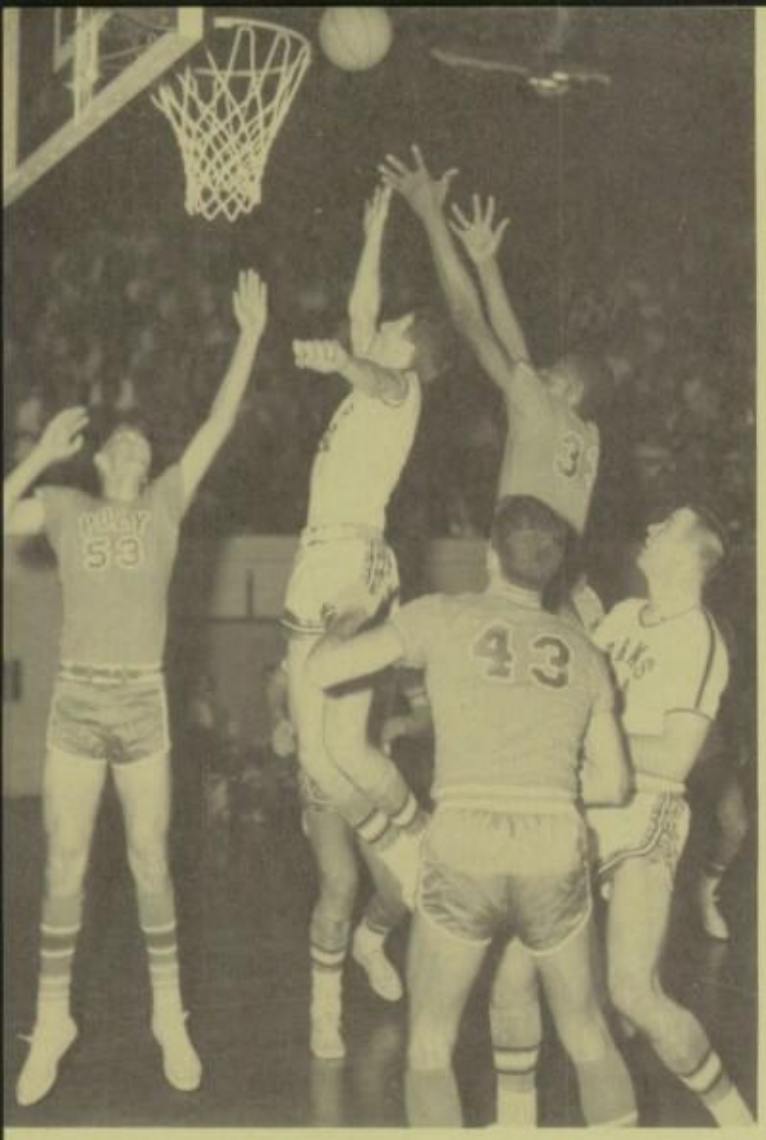
For the second year in a row Ramona produced a CBL Championship team. It was among three, due to the expanded league, accorded this honor. That such a victory was not unexpected failed to diminish the accomplishment.

With a fast get-away the Varsity five defeated pre-league opponents Lakewood, Pomona, and Eisenhower. Up-start Rubidoux, ultimate champs of their own league, took the next contest, but Barstow, Azusa, Bakersfield, Santa Ana, and Centennial then fell with predictable regularity. Over the Christmas holidays the players kept in shape by defeating every team for the crown of the San Bernardino Kiwanis Basketball Tournament. Included was Anaheim, later to come out on top of the CIF, in the finale, 50-45.

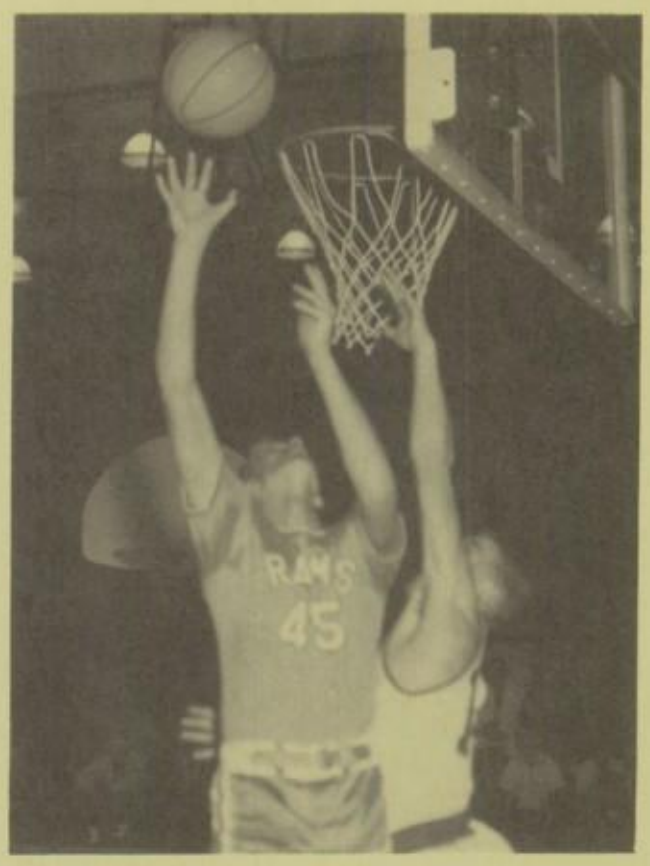
CBL play commenced with two victories, over Fontana and San Bernardino, and two losses, to Chaffey and Pacific. Both games were overtime heart-stoppers. Except for another defeat at the hands of San Bernardino, the rest of the season was a long winning streak. In post-season play the Rams were eliminated in the first round, against El Monte.

The record isn't complete without a tribute to coach Williams, whose skill in bringing out the best from each player undoubtedly raised the team from merely good to excellent.

Coach Williams-Varsity Basketball



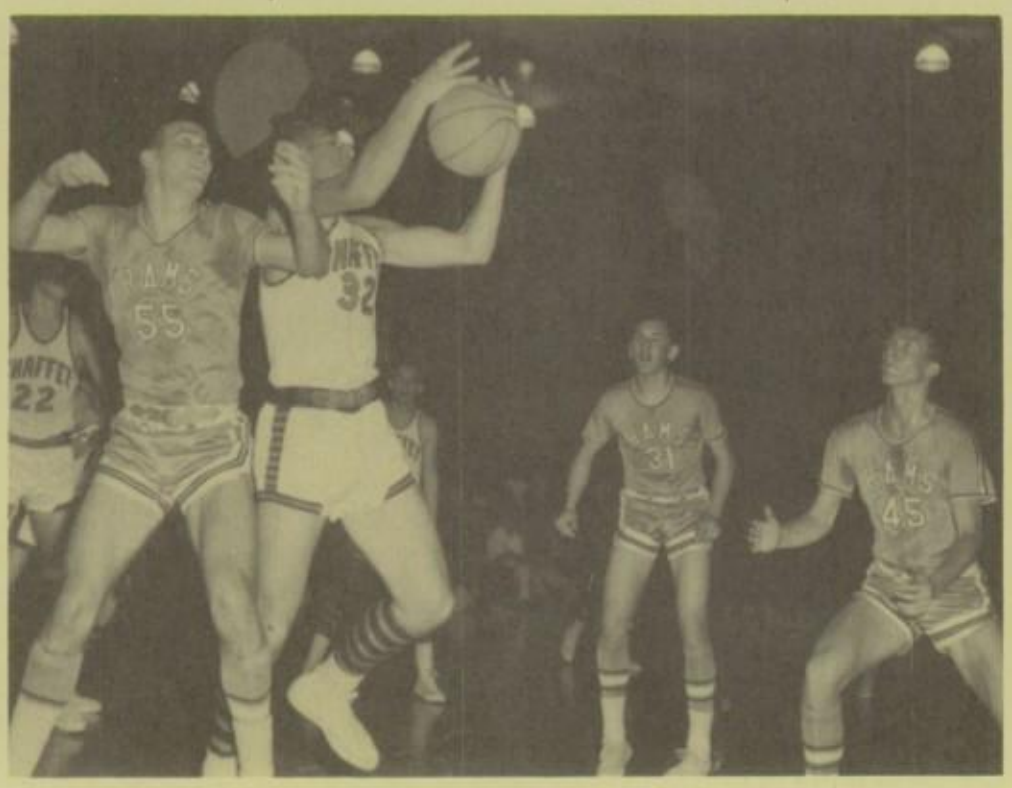
A familiar sight: Jim Barnett rises off the floor to basket another point, in this case, against Poly. The final outcome was victory, 63-36.



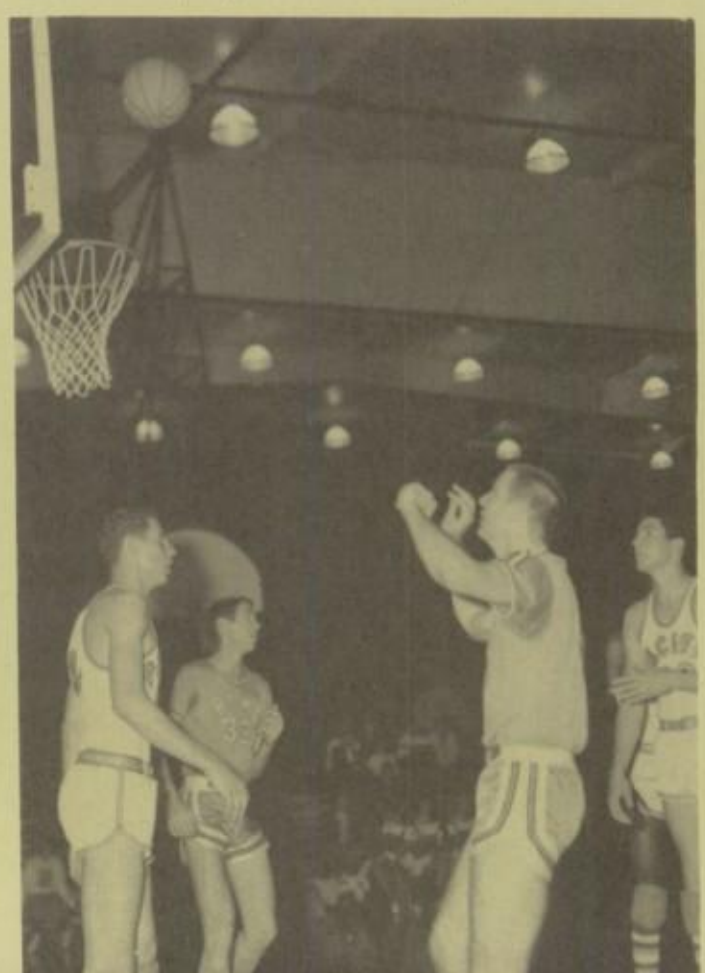
Rich Myers lays up a basket against a snakey Pomona guard. A non-league game, the Rams won 58-50.

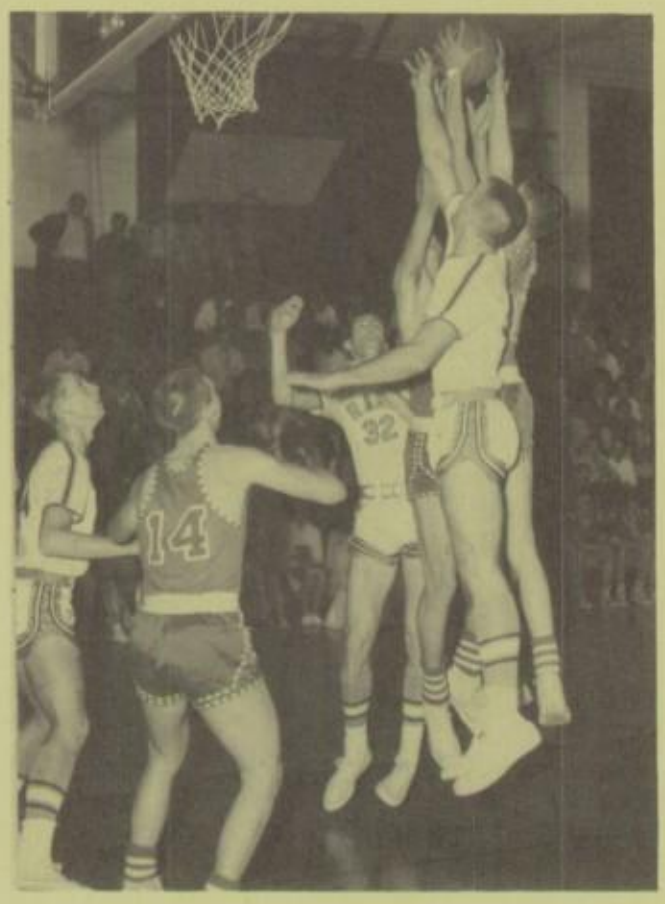
HOW TO BECOME

Reid, Myers, and Steve Barber in a tight spot. Chaffey, winning one and losing one against Ramona, eventually went on to become CIF champs.

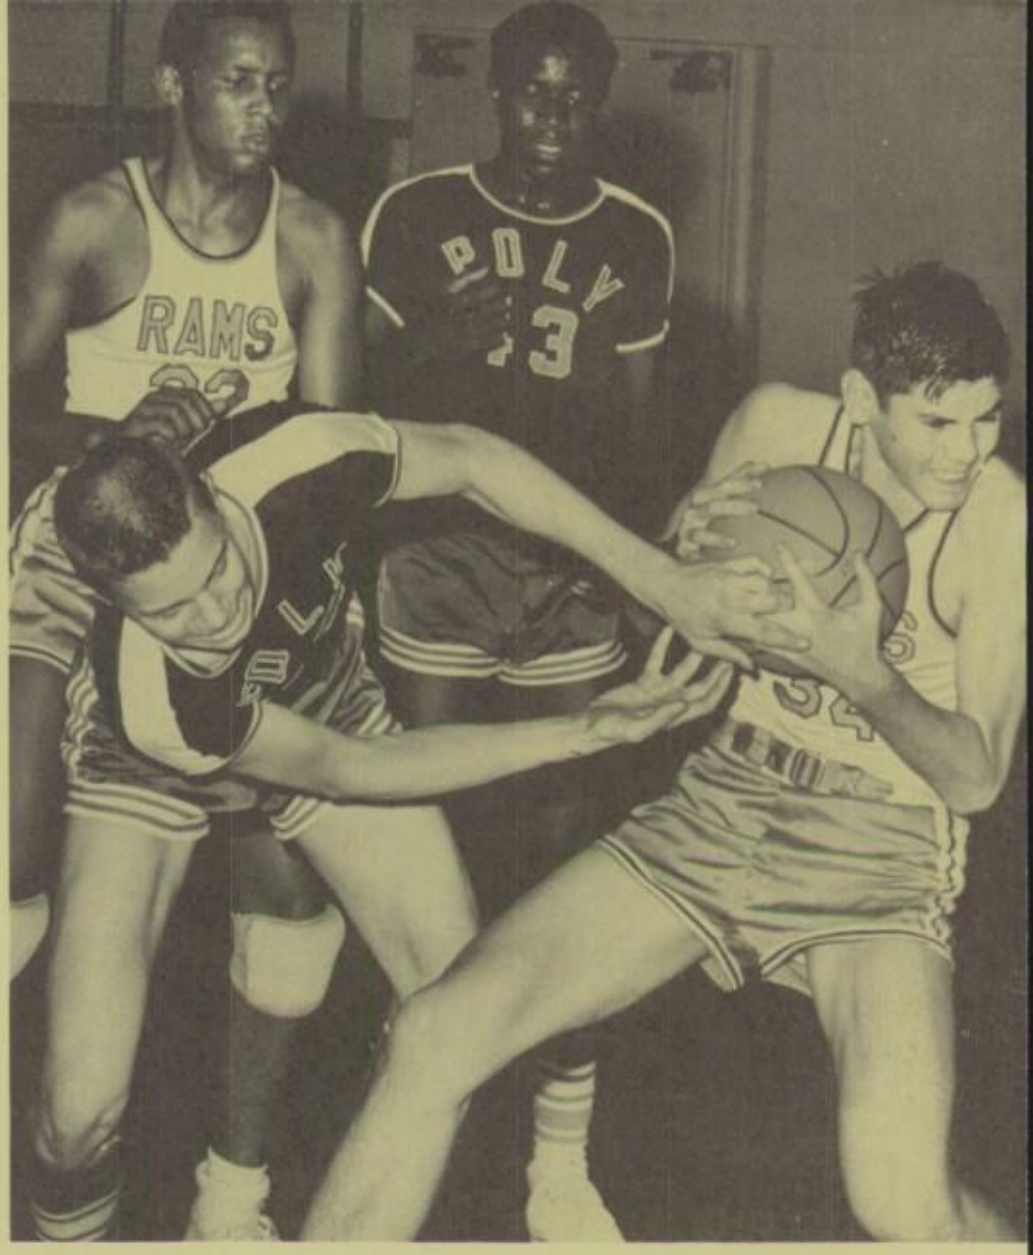


Bob Reid demonstrates the finesse required for a long shot under the scrutiny of Pacific players and ubiquitous Barnett.



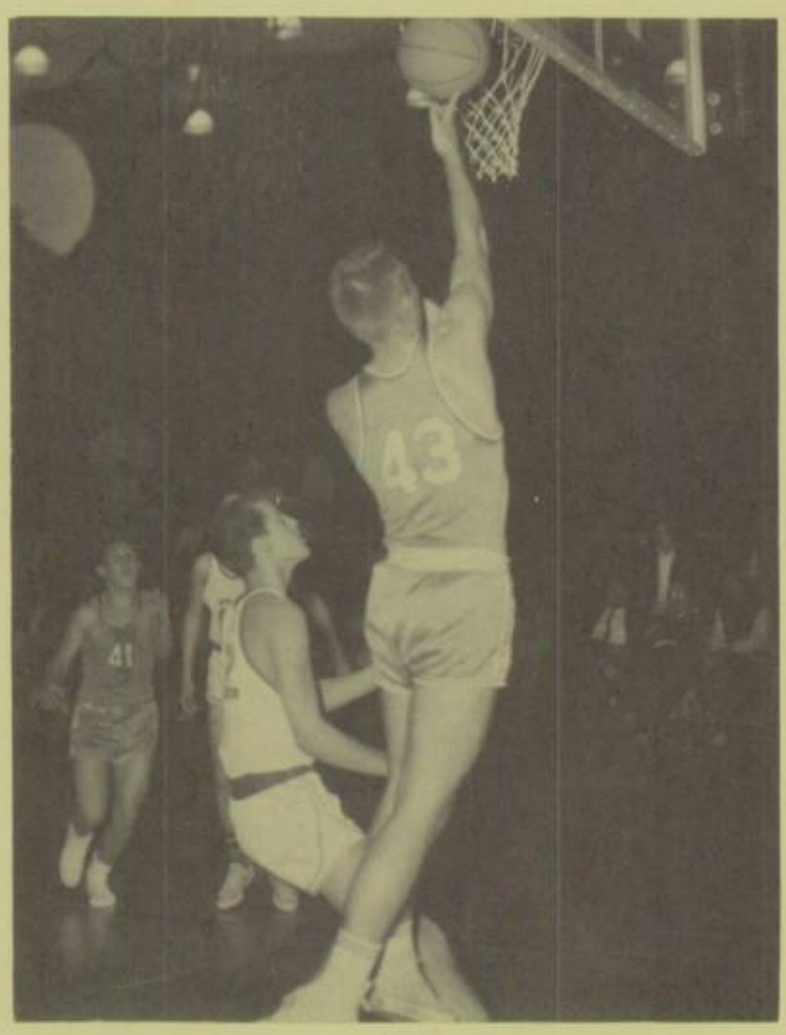


The final game, at El Monte. Reid and Barnett try for a hold on the disputed ball during a rebound.



One of the "B" games that was never in doubt. Jim Adams hands onto the ball in competition with Poly. A foul was called.

Champs in Basketball



With form like this, no wonder the "B" s were first in their league. A Ram player sets one in the basket against Pacific.

Appropriate to what coach Gene Knot has called, "Without a doubt the greatest Bee basketball team in the history of Ramona", is the number of school records the team broke. Eight of twelve team records were shattered: the win-loss records, the points in one season (1030), field goald (392), free throws in one game (24), goals made in offense (44.8%), and defense (31.5%), and total season (38%). In addition, five individual records were set, four of them by Palmer: season points (301), average points per game (13.2), rebounds in season (275), and, by Adams, % of field goald made (48%).

Front Row: Chuck Scott-Manager, Jim Smith, Jon Wilson, Pete Campobasso, Dick Erger, Joe Gonzales. **Row two:** John Reyes, Bill Clay, David Small, Larry Bunce, Jim Batiz, Lee Piercy, Frank Atkinson-Manager.

J.V'S STRUGGLED FOR THE TOP

This year's JV squad finished with the outstanding record of fourteen wins to seven losses and a (9-5) league scoresheet. After an unsettled beginning the team steadied, and took eight games in a row. In mid-season injuries upset the stride and losses alternated with victories. Next year's Varsity should find several prospects here; in particular, top scorer Dick Erger.

It's impossible to be better than perfect, a goal which the "B"s all but achieved. Their first eight non-league opponents fell with a whimper, though Rosemead managed the impossibility and defeated the team, 35-25. Once into official competition, however, there was no competition. The final record showed a perfect 14-0 league record. Credited by Coach Knott were captain Larry Ortiz, most valuable player Ted Palmer, and most inspirational player Jim Allred.

The 1962 Ramona Wrestling Team, although defeated in seven out of eleven matches, still displayed skill and spirit in this little-known sport. The J.V. team did better, ending with an 8-3 record. Both squads, coached by Mr. McKenzie, look forward to a record season next year.

New this year was water-polo, a team contest very similar to soccer but played in a pool. Object is to move the ball, by some means, across the water and into the opponent's goal. The swimmers are not allowed to rest by touching during play, necessitating their having tremendous strength and stamina.

Led by Coach Fite the Rams had a fine season. The varsity, with a 2-5 record, finished fourth in the seven team league. B's took second place with their 4-3 scoring, and the mighty J.V.'s finishing 5-1, walked away with first place in their division.

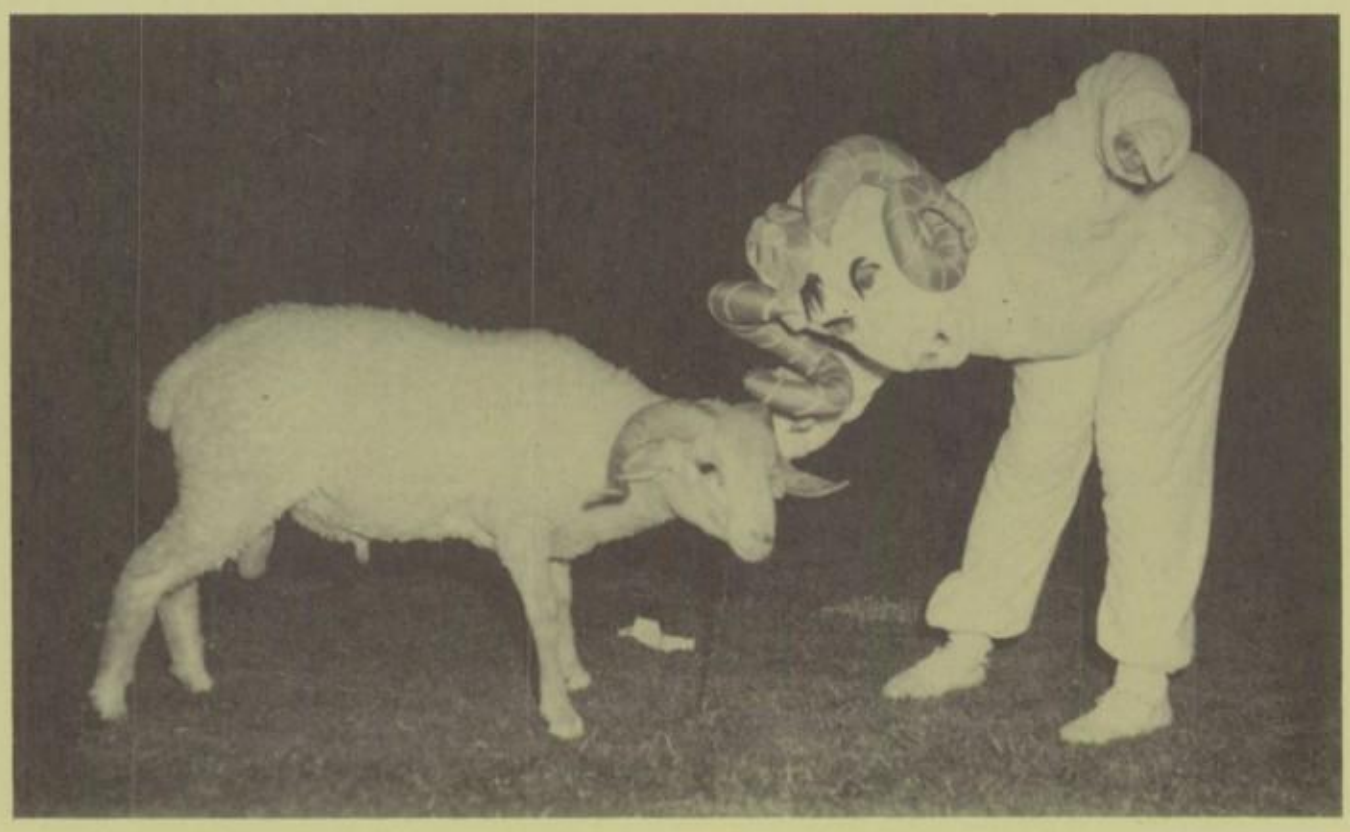
Enticing Pom-Pons

This smiling sextet of pom-pon girls kept us alive at football and basketball games. They are: Laurene Wisnesky, Man Van Etten, Claudia Thomas, Della Lemly, Linda Peterson, and Gerry Ann Parks.

Sometimes Stole

The Show

Two members of the sheep family pose appropriately together. The Ram is really Kathy Livrerie, who romped about the various games, keeping us all amused whether we were ahead or behind. The Ram? It just wandered into the picture as a school symbol.



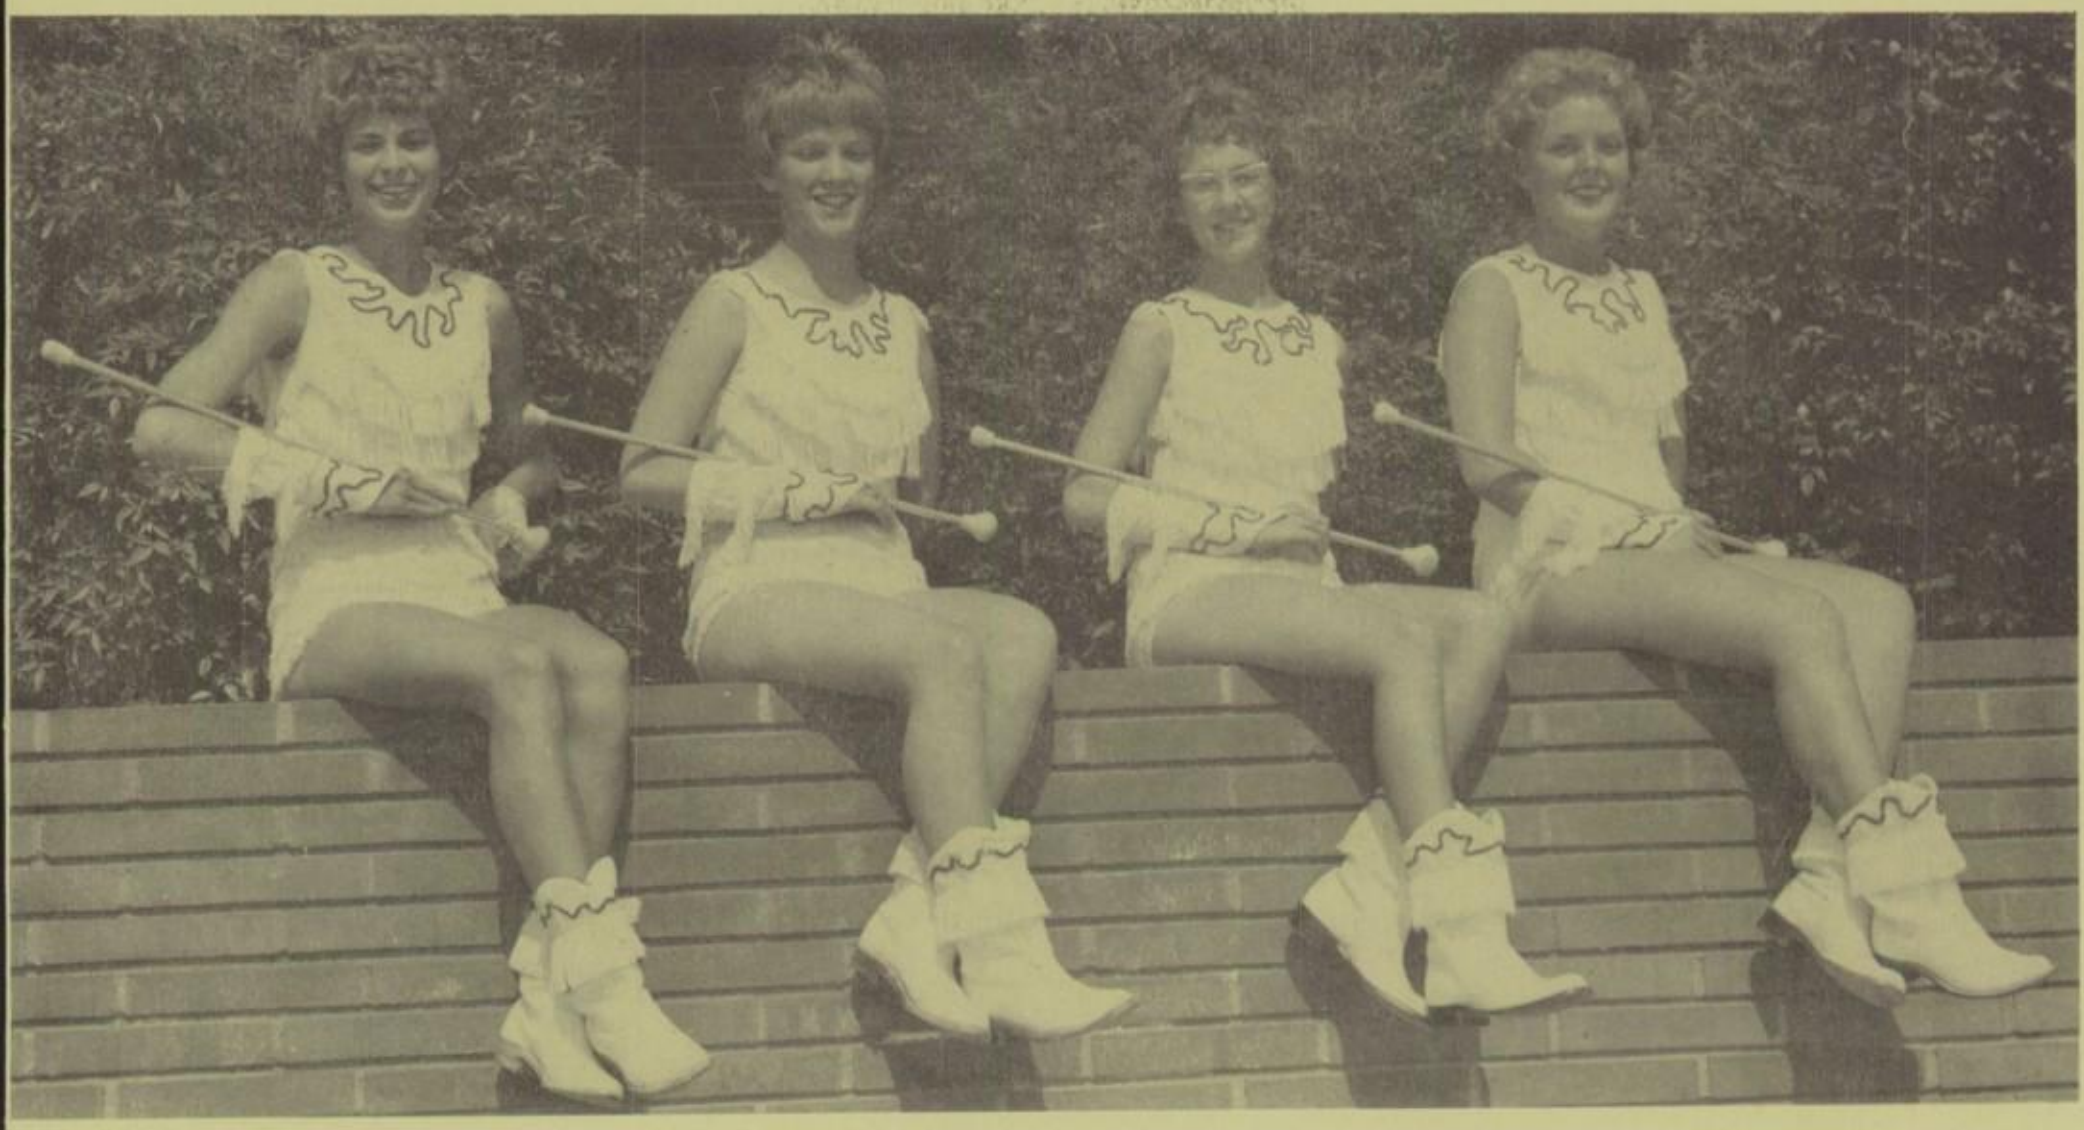
This year's pert pon-pon girls kept morale high at the games and rallies. Their gay spirit helped spark the team into greater effort and added a festive touch. Who couldn't be happy when they were around?

Cheerleaders this year were Gail Seitz, Gail Thomas, Leslie Landis, Diane Dicky, and Judy Brindle. The energetic five built spirit in the rooters, directed it at the players.

The Pep Builders

The six Sophomore Cheerleaders vivaciously sparked Ramona's junior teams into top positions. From the bottom they are: Joady White, Gail Gillespie, Pam Mitchell, Susan Emerizy, Margy Gray, and Kitty Harding.

Appearing in their eye-catching block sweaters at all rallies and games, the Cheerleaders worked to boost team spirit by making us all participants. Led by their advisor, Miss Consentino, all three pep squads exhibited the high degree of school spirit needed from all Ramona students.



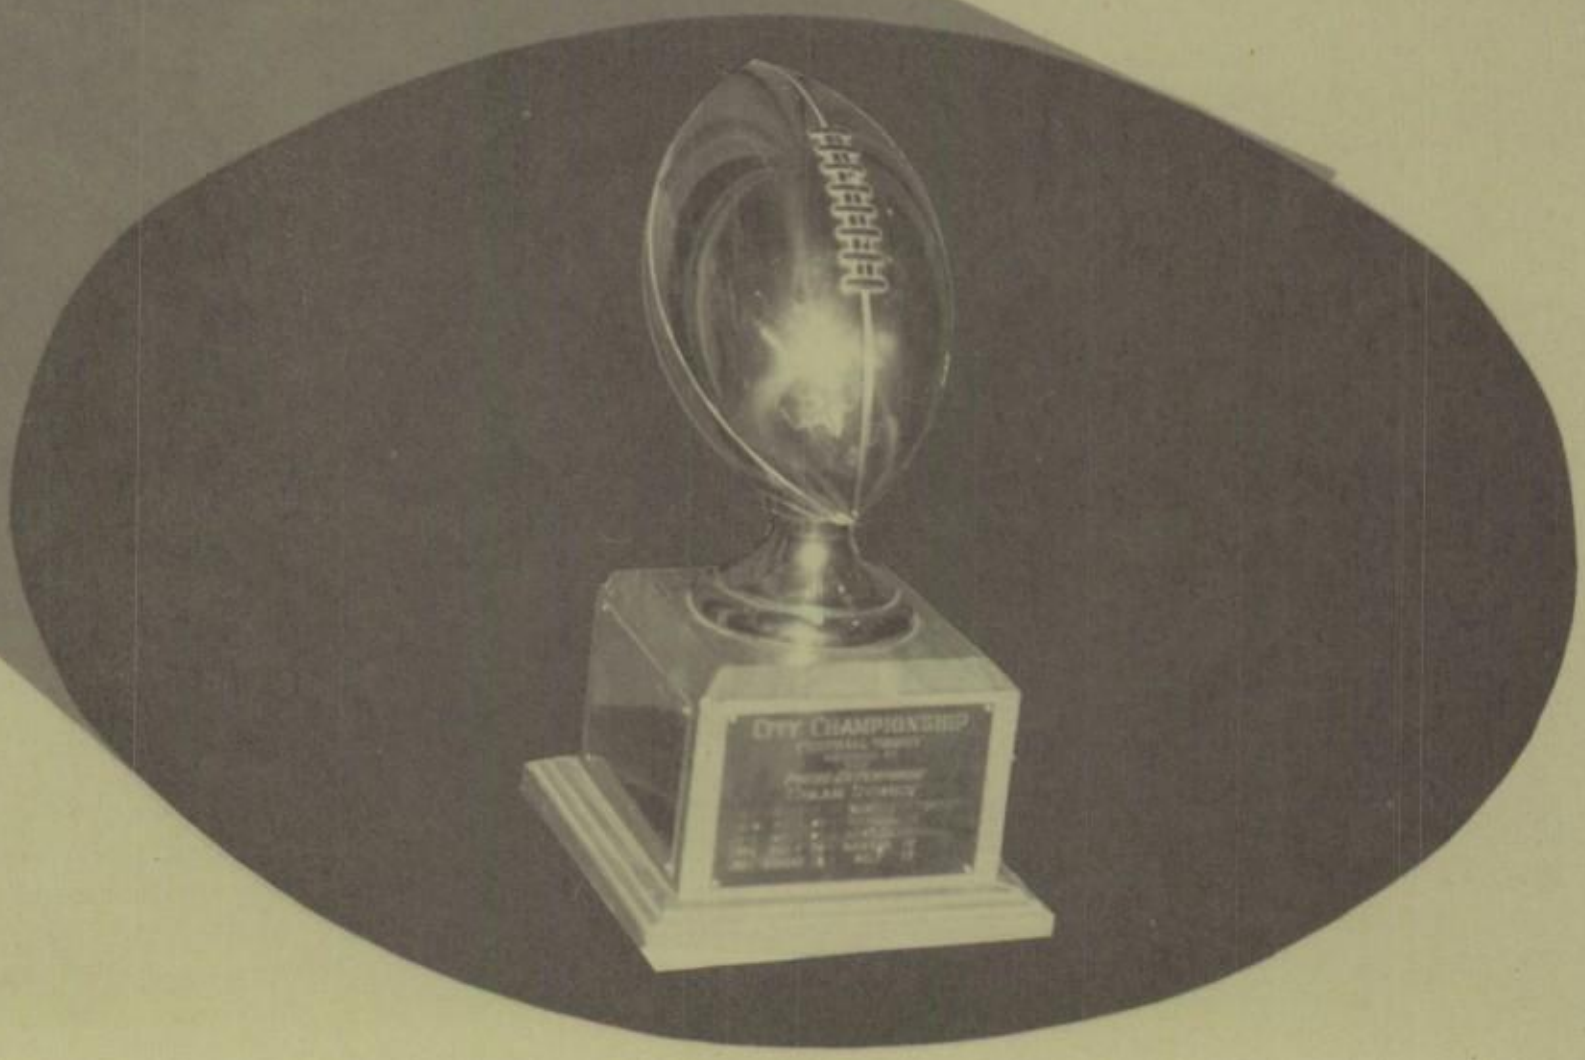
The 1962 Majorettes, in an uncommon pose, are: Loretta Klaus, Sandy Qualley, Judy Hamilton, and Lynne Bryner. They added sparkle and color to the band.

Kept Spirits Alive

Pep rallies were the order of the day before all big games. Pom-pons, Cheerleaders, and the team often mingled with "special performers" to get us into the spirit to win.

Bringing honor and pride to backstage Ramona are the many award winners. Everything from national to local AWARDS were given to many Rams. This year's achievements are no exception to the tradition of excellence that Ramona has maintained. Awards were received in many fields from composition to oratory and from football to math. Represented at many contests, Ramona entrants have always managed to take away the lion's share of the OSCARS.

Awards



Nat'l Merit

The National Merit Scholarship Program, which is conducted annually by the National Merit Scholastic Corporation, awards from 555 to 987 scholarships each year to high school students showing extraordinary ability that would benefit from a college education. Merit Scholarships are sponsored by business and industrial firms, individuals, unions, foundations, professional groups and by the Corporation itself and are awarded on the basis of test scores, school records, and recommendations. Five senior boys qualified as Finalists in the National competition: Joe Duke, Ray Williams, Steve Paschke, John Valter, and Ray Adams.

Why must the United States win the race for Space? Ask any one of these students who won awards in the American Rocket Society's "Space" Essay Contest. Thirteen Ramonans, writing "Why the United States must win the race for Space," placed in the competition where only fifteen prizes were offered. Michele Krizan submitted the winning essay. Susan Teig placed third. Eleven Honorable Mentions went to Steve Paschke, Jeff Goughnour, Mike Ahlmann, Nancy Burdett, Art Heers, Jim Jenks, Jill Taylor, Pat Schleeh, Joan Faulmann, Dick Chady, and Mary Burke.

....and Scholastic

Like a play, high school life involves many roles. Each of its scenes is different and full of fun, excitement, and, many times, hard work. At Ramona, as at most all high schools, students enjoy the athletics, the dances, the parties, the teachers, the classes, and the friends their school has to offer. And yet, unlike these same schools, Ramona acknowledges more to its production. Behind the curtain of dates, homework, and baseball games are the scholars who spend their hours in learning, producing, and making our "show" a success. It is the work of these students that brings the spotlight to rest upon Ramona's campus and commands the attention of the audience to the fact that we at Ramona specialize in education as well as social activity. These people, although some of their parts were short, played their roles with outstanding ability, determination, and the overwhelming success that has won the admiration of every member of the cast. And, as the custom at the closing of a performance, we of the Aries Staff wish to give these students recognition and display them prominently before the school and the community in this Awards Section as Ramona "Oscar winners" for 1961-62.

Our annual is a success owing to the aid we have received from these Riverside businesses. Our PRODUCERS have confidence and faith in our school and this book and we thank them for their encouragement and help. These people know that ADVERTISING in the Aries brings profitable results. To show appreciation the students of Ramona would be wise to patronize these establishments.

If we were as industrious to become Good
as to make ourselves great,
we should become really great
by being good,
and the number of valuable men
would be much increased;
but it is a grand mistake
to think of being great
without goodness;
and I pronounce it as certain,
that there was never yet a truly great man,
that was not at the same time
truly virtuous.

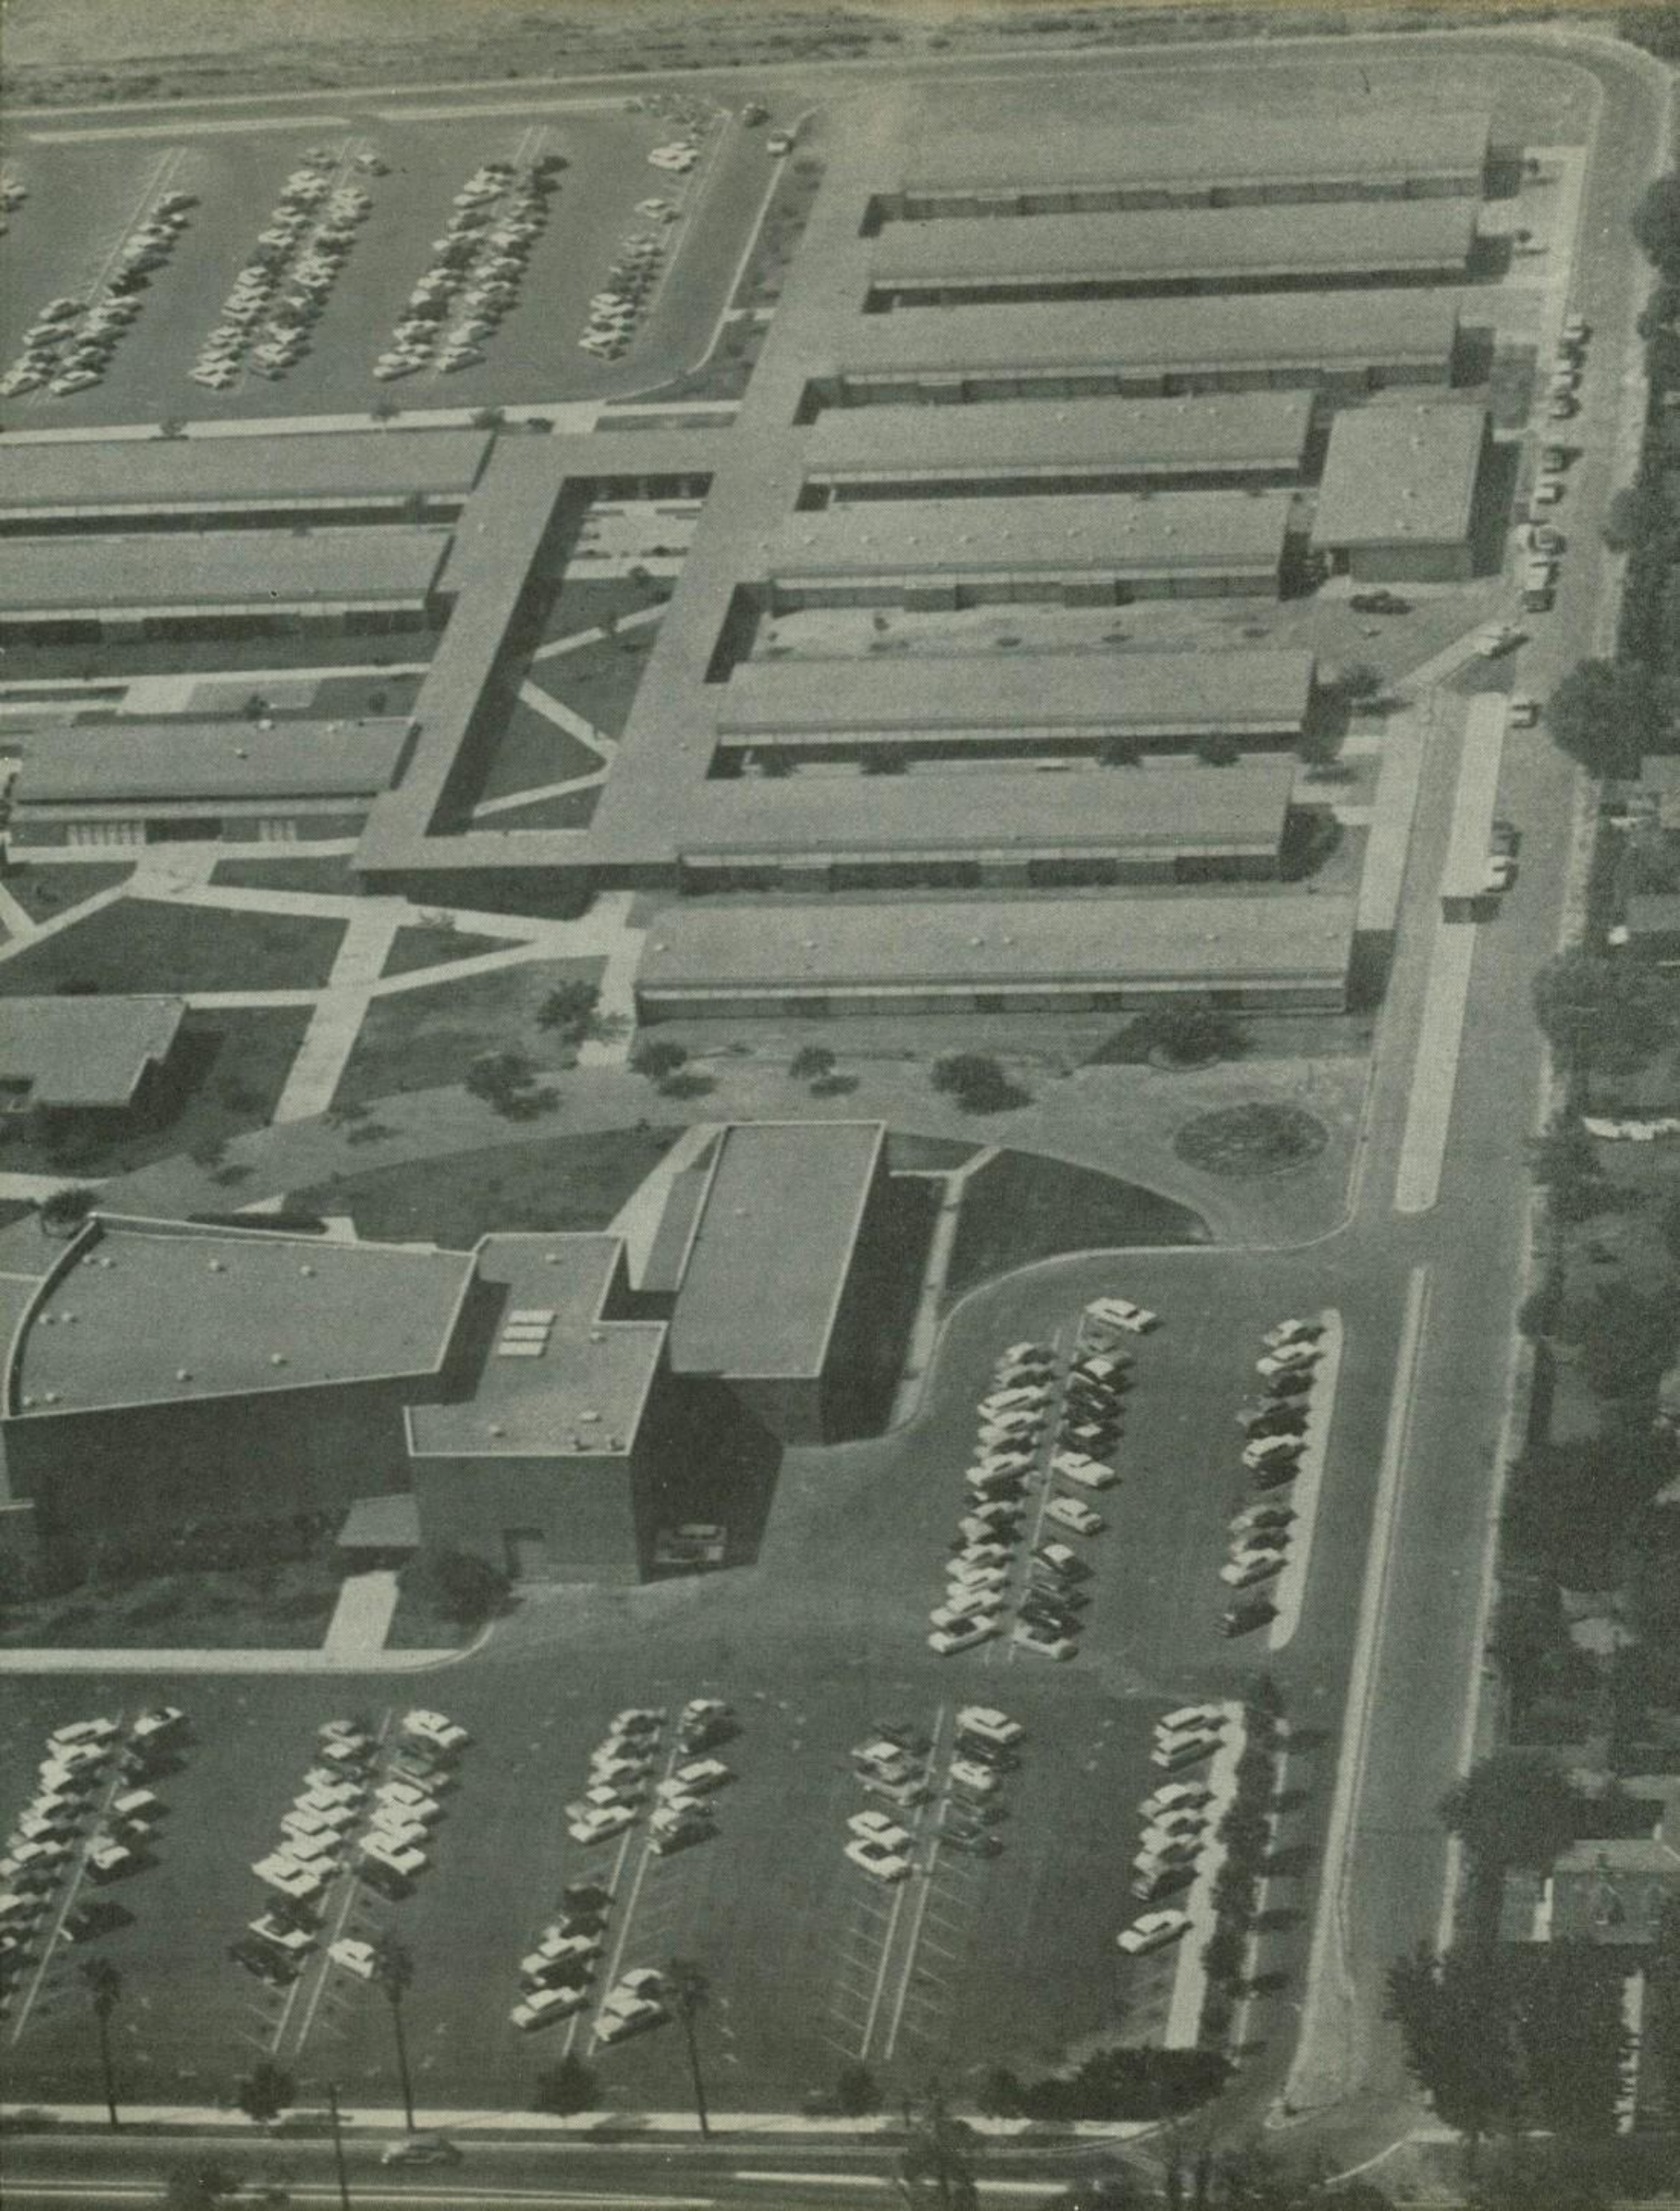
Finale

Thru the years, O dear Ramona, we'll remain true to thee,
With thy banner flying proudly for the world to see,
Blue and White we hold before us as our song we raise,
Oh Ramona, Alma Mater of our high school days.

As the shades of night are gathering and these hallowed halls we leave,
All the loyalty shall ever lead to victory.
We will ever love and cherish thy name far and near,
All thy honor and thy glory, Alma Mater Dear.

Oh Ramona, may you boast a grand and glorious name,
We, who love your colors most, to you we pledge our fame.
Hearts, for you, will e'er beat true though life may part our ways.
Memories we'll cherish, too, of dear Ramona days.


Have a great time
your senior year
the happiest
one of your school days
for the present
Barbara Lou
